Physical Therapy Board of California

Performance Measures

Q3 Report *(January - March 2011)*

To ensure stakeholders can review the Board's progress toward meeting its enforcement goals and targets, we have developed a transparent system of performance measurement. These measures will be posted publicly on a quarterly basis.

In future reports, the Department will request additional measures, such as consumer satisfaction. These additional measures are being collected internally at this time and will be released once sufficient data is available.
