Informational Notes:

Times stated are approximate and subject to change. Agenda order is tentative and subject to change at the discretion of the Board President; agenda items may be taken out of order. In accordance with the Bagley-Keene Open Meeting Act, all meetings of the Board are open to the public. If you wish to participate or to have a guaranteed opportunity to observe, please plan to attend at a physical location. Agenda discussions and report items are subject to action being taken on them during the meeting by the Board at its discretion. The Board provides the public the opportunity at the meetings to address each agenda item during the Board's discussion or consideration of the item. Total time allocated for public comment on particular issues may be limited.

Government Code section 11125.7 provides the opportunity for the public to address each agenda item during discussion or consideration by the Board prior to the Board taking any action on said item. Members of the public will be provided appropriate opportunities to comment on any issue before the Board, but the Board President may, at her discretion, apportion available time among those who wish to speak. Individuals may appear before the Board to discuss items not on the agenda; however, the Board can neither discuss nor take official action on these items at the time of the same meeting (Government Code sections 11125, 11125.7(a)).
