

2011 NPTE Summit Invitation

The FSBPT Board of Directors would like to invite you to participate in the 2011 NPTE Summit in Dallas, Texas on July 29-31, 2011. We are inviting about 100 jurisdiction board members, board administrators, FSBPT committee members and other stakeholders.

Purpose and Outcomes

The purpose of the 2011 NPTE Summit is to focus on policy implications for PT licensure in light of recent NPTE security breaches.

The desired outcome will be a set of recommendations to the board about the testing process, formats and other related issues. An additional outcome would be to develop a preliminary communication strategy of the recommendations for the members and other stakeholder groups.

Logistics

Where: Dallas, Texas

When: July 29 – July 31, 2011

- All day Friday, July 29
- All day Saturday, July 30

This summit is pivotal

Our last Summit in 1999 developed a new mission statement for the Federation. This Summit will guide our assessment of entry-level competence in the physical therapy profession for years to come.

We hope you can attend this historic gathering of decision makers.
