STATEMENT OF RENEWAL

Business and Professions Code, Section 121: *No licensee who has complied with the provisions of this code relating to the renewal of his or her license prior to expiration of such license shall be deemed to be engaged illegally in the practice of his or her business or profession during any period between such renewal and receipt of evidence of such renewal which may occur due to delay not the fault of the applicant.*

The Physical Therapy Board (PTBC) considers a license to be renewed as of the postmark date of the renewal payment, if such payment is valid (i.e., check is honored by the payor's bank). The licensee listed below is stating that he or she has mailed his or her renewal notice to meet the PTBC's requirement. Once completed, the PTBC suggests that employers keep a copy of this document in the employee's personnel file and follow up with the PTBC within 60 days from the date the renewal was mailed to confirm that the PTBC has officially acted to renew the license and has issued a certificate of renewal (pocket license).
