### PRESIDENT'S MESSAGE

#### Sunrise and a New Plan

With the arrival of fall, I hope that many of you have been able to take time to relax and be with loved ones this year. While the business of the Physical Therapy Board of California (PTBC) continues from season to season, it's suitable to look back at milestones and look forward to what is coming.

Alicia Rabena-Amen, P.T., DPT In March, PTBC had its sunset review oversight hearing at the California Legislature in front of a joint committee of the Assembly Business and Professions Committee and the Senate Business,

(continued on page 2)

#### (President's Message, continued from page 1)

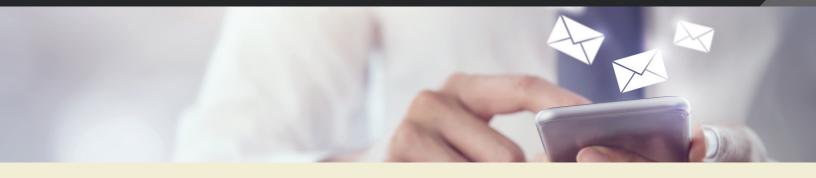

Professions, and Economic Development Committee. Board member and staff testimony was appropriately brief with just a few questions asked by the committee. We had just one public comment, which came from the American Physical Therapy Association California Chapter with welcomed support of the continuance of PTBC. Our sunrise bill, SB1438, extends PTBC's authority to enforce and administer the act and to appoint an executive officer until January 1, 2027.

With a new sunrise, we move forward and begin thinking about creating a new strategic plan where we reexamine our mission and vision for the future and identify new goals and objectives to meet this stated vision. PTBC staff is considering dates to start this process in 2023. Keep an eye out for ways to join us and add your voice to these important conversations. Licensees, applicants, and especially consumers of California are all welcome. We look forward to learning soon about the goals met from our previous strategic plan. PTBC continues to meet regularly and is mindful to hold meetings in different areas of California as able to allow consumers and other stakeholders to attend an in-person meeting closer to their home. Beginning this year, we will also be able to have a concurrent Webex function when that technology is available at the venue of the meeting. This allows on-site as well as virtual participation, which increases your opportunity to participate in meetings.

Other ongoing business includes providing letters of support for select bills, working to see new regulations through to completion, the continual processing of applications and renewals of licenses, and the important work of investigating and enforcing discipline on licenses. As president of the Board, I have an insider's view and deep appreciation of the sincere efforts by staff and Board members alike to better serve applicants, licensees, and the public.

As PTBC looks forward to continuing its good work and improving where we can, we invite and welcome your participation. Until then, all the best for warm and healthy fall and winter seasons.

### DO WE HAVE YOUR EMAIL ADDRESS?

Licensees are required to provide the Physical Therapy Board of California (PTBC) with an email address if the licensee has one. Email is an efficient conduit for sharing information between PTBC and its applicants and licensees. PTBC will be able to communicate regarding the status of applications, renewals, and requests for various PTBC services; provide law and regulation updates; and disseminate important PTBC news directly to each applicant and licensee—from PTBC to your door (or email inbox). It doesn't get much easier! PTBC hopes this accelerated delivery and exchange of information will decrease processing times in all aspects of 's programs and facilitate licensees keeping apprised of laws and regulations and PTBC activities. Moreover, with the transition to the BreEZe system, email will be the standard method of communication. You can submit/ update your email address using BreEZe or submit your address change with BreEZe. You may also submit your email address in writing to PTBC—please include your name and license number.

# DO YOU WANT TO HOST A BOARD MEETING?

#### Who is the Physical Therapy Board of California?

The Physical Therapy Board of California (PTBC) is a government agency within the Department of Consumer Affairs. PTBC licenses and disciplines physical therapists and physical therapist assistants. PTBC provides three principal types of consumer services: verifies education and background prior to licensure, provides information about the practice of physical therapy by physical therapists and physical therapist assistants, and investigates complaints against physical therapists and physical therapist assistants.

#### **Board Meetings**

Board meetings are mandated to three board meetings a year. Typically, PTBC conducts four meetings a year in the areas of Northern and Southern California. Board meetings are usually two days long and the public is highly encouraged to attend.

#### **Benefits of Hosting a Board Meeting**

- Consumers in the area can be educated on the practice of physical therapy.
- Licensees in the area can attend and receive continuing competency credit while having their voice heard on topics being discussed.
- Students and applicants can attend in between classes and learn how PTBC operates and how decisions are made that affect the profession.
- Name recognition for the hosting location.

### Mission

To advance and protect the interests of the people of California by the effective administration of the Physical Therapy Practice Act.

### Vision

The standard for consumer protection in physical therapy.

#### PHYSICAL THERAPY BOARD OF CALIFORNIA

# BOARD MEMBER SPOTLIGHT—DR. JESUS DOMINGUEZ

For this issue of Progress Notes, the Physical Therapy Board of California (PTBC) has chosen to spotlight Dr. Jesus Dominguez of Santa Clarita. Dr. Dominguez has been serving as a board member for PTBC since 2014 and is also a member of the American Physical Therapy

Association and the California Physical Therapy Association. He is an associate professor of clinical physical therapy and has been director of admissions at the University of Southern California Division of Biokinesiology and Physical Therapy since 2004. We feel so lucky to have Dr. Dominguez on the Board and appreciate all of his expertise and dedication to providing consumer protection to the consumers of California.

### Q: What is your favorite color?

Blue.

#### Q: What are your hobbies?

I'm a passionate fly fisherman. I love to wade and fish in rivers all over the United States.

### Q: Do you like sports? If so, what are your favorite teams?

I was a soccer player in high school and a bit in college, but baseball is the sport I follow these days. I grew up rooting for the Dodgers and I'm still a fan today.

#### Q: What is your favorite food?

Pizza and anything stir fried.

- **Q: What would you say your spirit animal is?** The fish.
- **Q: What is your favorite dessert?** Cheesecake.

#### Q: What high school and college did you attend?

I graduated from St. Francis High School, received a B.A. in biology from Occidental College, and earned my MPT and Ph.D. from the University of Southern California.

### Q: What made you choose to become a physical therapist?

In high school, I knew I wanted to pursue a career in the health care field. In my young mind, it seemed like the best career to "help people." As a biology major in college, I considered medicine, but was also attracted to a career in teaching. It wasn't until late in college that I discovered physical therapy. My career choice has allowed me to realize both of my ambitions. As a clinician, I found that teaching played a large role in my daily treatment sessions with patients. Now as an academic, I find passion in educating the next generation of physical therapists. Who says you can't have the best of both worlds?

### **Q:** Have you ever been to see a physical therapist yourself?

Absolutely! I'm surrounded by them every day... and they consider me to be one of their best patients.

### Q: What did you want to bring to PTBC as a board member when you were appointed?

I've always considered myself to be an individual who is open-minded. Before making decisions that affect me and/or others, I want to hear from all stakeholders so I can understand and consider perspectives that are different from my own. I think that's an important trait to have as a board member. Whether we are discussing matters that involve the Physical Therapy Practice Act, licensed practitioners, or especially consumers, fairness and impartiality remain important cornerstones in meaningful dialogue that leads to resolving the issues at hand.

On behalf of PTBC board members and staff, we thank Dr. Jesus Dominguez for his hard work, dedication, and service over the years.

# SEEKING EXPERT CONSULTANTS

The primary purpose of the Physical Therapy Board of California (PTBC) is to protect health care consumers through effective enforcement of the Physical Therapy Practice Act. To ensure the public is protected from incompetent, negligent, dishonest and/or impaired licensees, PTBC is responsible for investigating and disciplining physical therapists and physical therapist assistants. As part of the investigation, when necessary, PTBC may seek an opinion from an appointed physical therapist expert consultant.

Expert consultants review documents such as medical records, reports containing interviews of the subject of the complaint, patient(s), subsequent treating licensees, witnesses, and may also conduct on-site review of patient records at the facility where the alleged violation(s) occurred. The expert consultant will then provide PTBC with a written report rendering an impartial opinion on the care provided by the subject licensee based solely upon the information reviewed. In addition, the expert consultant may serve as an expert witness at an administrative hearing resulting from the opinion rendered.

To qualify, you must be a California licensed physical therapist whose been practicing in the profession for a minimum of five years and whose license is current and in good standing; have no current complaints or disciplinary action pending or taken against your license; and be knowledgeable in the laws, regulations, and community standards of care for the practice of physical therapy in California.

If you are interested in serving as an expert consultant and meet the criteria, refer to the PTBC website for more information at: www.ptbc.ca.gov/licensees/index.shtml.

## CALIFORNIA HEALTH WORKFORCE RESEARCH DATA CENTER UPDATE

The Department of Health Care Access and Information (HCAI), formerly known as the Office of Statewide Health Planning and Development, is partnering with the Department of Consumer Affairs (DCA)and the Physical Therapy Board of California (PTBC) to collect important health workforce data. HCAI is the leader in collecting data and disseminating information about California's health care infrastructure. HCAI promotes an equitably distributed health workforce and publishes valuable information about health care outcomes.

With the passage of Assembly Bill 133 (Chapter 143, Statutes of 2021), HCAI is launching the California Health Workforce Research Data Center. The Center will serve as the state's central repository for health workforce data, and will collect, analyze, and distribute information on educational and employment trends for health care occupations in the state. An annual report will be produced discussing:

- Supply and demand of the health workforce.
- Geographical distribution of the health workforce.
- Diversity of the health workforce, by specialty (including, but not limited to, data on race, ethnicity, and languages spoken).
- Current and forecasted demand for health care workers by specialty.
- Educational capacity to produce trained, certified, and licensed health care workers by specialty and by geographical distribution.

HCAI, in partnership with PTBC and DCA, has developed a workforce survey for licensees to complete during the electronic licensure renewal process. We are asking for your help with this important data collection effort by completing this survey at time of licensure renewal. This data will help shape the future of health workforce policy in California. HCAI plans to present data and findings from the Center at future PTBC meetings, social media posts, and other outlets.

HCAI can be contacted at workforcedata@hcai.ca.gov.

# APPLICATION DO'S AND DON'TS

PTBC often receives inquiries regarding the steps required for applying for licensure and what to DO and DON'T do when applying. See below for a list of do's and don'ts to help you when applying for licensure:

#### Do's

- DO check initial license application instructions and requirements under the Applicants tab on PTBC's website at <u>www.ptbc.ca.gov</u> and registration instructions and deadlines on the Federation of State Boards of Physical Therapy (FSBPT) website at <u>www.FSBPT.org</u>.
- DO have your fingerprints processed via Live Scan and take a passport-style photo within 30 days of submitting your initial license application to PTBC. If the photo or fingerprint results are too old, you may be required to re-do them.
- DO apply online using PTBC's online application system, <u>BreEZe</u>.
- DO upload all supporting documents to your online initial license application, including photo, fingerprint Live Scan form, and any other applicable documents. Note: Certifications of Completion (P1E) and Certificates of Education Equivalency (P1F or P1G) are submitted directly to PTBC from the education program or credential evaluation agency; these should not be attached to your online initial license application.
- DO complete a Disability Accommodation Request for Examination (D1) form if requesting examination accommodations and submit via email to
   PTA@dca.ca.gov. PTBC must have this form prior to granting examination eligibility if you need accommodations. Also, make sure to indicate you need accommodations when registering for your examination(s) with FSBPT.

- DO make sure to check your initial license application status on your BreEZe account and respond to any inquiries from PTBC.
- DO wait for the letter sent via email and posted to your BreEZe account granting you Physical Therapist License Applicant (PTLA) or Physical Therapist Assistant License Applicant (PTALA) status before you begin working as a PTLA or PTALA. You may not work as a PTLA or PTALA without the letter from PTBC.
- DO contact PTBC at PTA@dca.ca.gov or (916) 561-8200 if your initial license application has not been acknowledged on your BreEZe account within 45 days, and then if you have not received your initial license application status within the following 45 days.

#### Don'ts

- DON'T forget to submit payment when applying online. Applications are not considered received until payment is processed.
- DON'T wait for confirmation of initial license application receipt or status from PTBC to register, pay, and sit for both examinations.
- DON'T submit a new initial license application if you need to retake an examination, unless directed to do so by PTBC. PTBC will provide you with your initial license application expiration date with your status update.
- DON'T forget to include all current and expired licenses held in other physical therapy licensing jurisdictions if you are applying by Endorsement.
- DON'T submit license verifications from other physical therapy licensing jurisdictions unless specifically requested from PTBC if you are applying by Endorsement; PTBC verifies licenses online.

### PTBC MILESTONES

The Physical Therapy Board of California (PTBC) would like to thank and recognize all of you for your hard work and dedication to PTBC, consumers, licensees, students, and applicants of California. You all go above and beyond for the people of California and we are so grateful to have you as part of the PTBC family.

PROGRESS NOTES FALL 2022

# APPLYING AS A FOREIGN APPLICANT FAQS BY TERESA GUTIERREZ

The Physical Therapy Board of California (PTBC) has a pathway for physical therapist and physical therapist assistant licensure for those educated at an education program not accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE) and located outside the U.S. set forth in Business and Professions Codes sections 2653 and 2654.

I'm Teresa Gutierrez, an analyst at PTBC for the Application Services unit. I have been with PTBC for more than 10 years, and for the last six years I have processed applications received for physical therapists (PT) and physical therapist assistants (PTA) from graduates of a non-accredited program outside the U.S. as well as PTA applications under the equivalency option. PTBC receives numerous inquiries about the application requirements for candidates who graduated from a non-accredited PT or PTA program located outside the U.S. I often recommend applicants not to get discouraged with the application process and requirements. Here are the most frequently asked questions to help guide applicants through the process:

### Q: Can I apply before having my credentials evaluated?

- A: No. The first requirement to apply for licensure is to have your credentials evaluated for the state by one of PTBC's approved credential evaluation agencies. Each evaluation agency has its own processing time and fees associated with evaluating credentials. We suggest you contact each approved evaluation service to determine which evaluation service will meet your needs. Here are the PTBC-approved agencies:
  - International Education Research Foundation (IERF) <u>https://ierf.org/</u>
  - Foreign Credentialing Commission on PT (FCCPT) <u>https://www.fccpt.org/</u>
  - International Consultants of Delaware (ICD) https://www.icdeval.com/

### Q: Can I be exempt from the Test of English as a Foreign Language (TOEFL) requirement?

A: TOEFL is required for all foreign physical therapist (PT) applicants. However, an applicant is exempt from the TOEFL requirement if the applicant has been awarded a bachelor's degree or higher in a physical therapist educational program from a college, university, or professional training school in Australia, any part of Canada other than Quebec, Ireland, New Zealand, the United Kingdom, or other English-speaking country specified by PTBC.

#### Q: I don't have a social security number (SSN); can I still apply for a license?

A: Yes. An applicant may apply with an Individual Taxpayer Identification Number (ITIN) in lieu of an SSN. For information on how to obtain an ITIN, contact the IRS at <u>https://www.irs.gov/</u>.

#### Q: How do I complete the fingerprint requirement?

A: Requirements are:

- Complete the Request for Live Scan Service form; this form is located on PTBC's website at <u>www.ptbc.ca.gov</u> under the "Forms" tab.
- Locate a Live Scan operator, and make an appointment, if necessary.
- Take the completed Request for Live Scan Service form to the Live Scan site.
- Have a passport or state-issued photo identification.
- Pay the processing and preparation fees at the Live Scan site.
- Verify with the Live Scan operator that your fingerprints were submitted for both Department of Justice and FBI processing.
- Submit one copy of the completed Request for Live Scan Service form with your PTBC application.

(continued on page 9)

#### (Applying as a Foreign Applicant FAQs continued from page 8)

#### Q: When can I take the CA-Law?

A: Applicants may take the California Law Exam (Cal-Law) at any time; however, the Cal-Law passing score is only valid for one year. To sit for the Cal-Law, register and pay at **www.fsbpt.org**. Study material can be found at PTBCs website **www.ptbc.ca.gov** under the Applicants tab (California Laws and Regulations Related to the Practice of Physical Therapy).

#### Q: Where can I apply?

A: Applications must be submitted and paid through BreEZe at **www.breeze.ca.gov**. All applicationsupporting documents, including the Work Verification form, must be scanned and attached to the online application. Please note, upon completion of your credential evaluation, your education equivalency verification will be sent directly from the credential evaluation agency to PTBC; it does not need to be attached to your online BreEZe application.

### Q: What makes an application complete for submission?

- A: Complete an application and payment through BreEZe:
  - Attach a passport-style picture and completed Live Scan form.
  - Work verification form, and resume of work experience, if applicable.
  - o Credential evaluation certificate—must be provided to the PTBC directly from one of the PTBC-approved evaluation agencies.
  - o National Physical Therapy Exam (NPTE) and/or CA-Law registration through FSBPT at **www.fsbpt.org**.
  - If you are licensed in another U.S. physical therapy licensing jurisdiction, you must request for a NPTE score transfer through FSBPT at www.fsbpt.org.

#### **Q**: What's the application processing time?

A: Application initial review can take 30-45 days. Applicants are notified about their application status via email and BreEZe account as soon as the initial review is completed.

### Q: When can I start the clinical service period required for PT licensure?

A: An applicant is not permitted to start the clinical service period until PTBC provides an approval notice. Required forms and clinical service instructions will be provided by PTBC upon completion of the application on file, including passing both the National Physical Therapy Exam (NPTE) and California Law Exam (Cal-Law).

#### Q. I'm a licensed PT in another U.S. physical therapy licensing jurisdiction. Do I have to complete a clinical service period in California?

A. PTs licensed in another U.S. physical therapy licensing jurisdiction are required to complete a nine-month clinical service period. However, one month of clinical service can be waived for each month of licensed clinical practice in another U.S. physical therapy licensing jurisdiction up to the required nine months. The Work Verification form to request a partial or full waiver of the clinical service period form is available on PTBC's website at www.ptbc.ca.gov/forms/fpt\_work\_ver.pdf. Also, three months of the required nine months can be waived for completion of a course in Law and Professional Ethics as offered by a post-secondary educational institution or by successfully completing four continuing education units (must equal 40 hours) in Ethics (related to health care professionals) offered by a continuing education provider recognized by PTBC.

For more information, visit our website at <a href="http://www.ptbc.ca.gov/applicants/how\_to\_apply.shtml">www.ptbc.ca.gov/applicants/how\_to\_apply.shtml</a>.

### SUBSTANCE ABUSE REHABILITATION HOTLINE

Physical therapists (P.T.s) and physical therapist assistants (PTAs) are not immune from the diseases of chemical dependency. Experts estimate that at least 10% of the general population will have a problem with alcohol or drugs at some point in their lives. Health care professionals, including P.T.s and PTAs, may be particularly susceptible to substance abuse problems due to the stresses of working in a health care environment and an increased opportunity to obtain controlled substances.

Many P.T.s and PTAs who experience problems with chemical dependency can find the help and support they need to stay sober without involvement from the Physical Therapy Board of California (PTBC).

Unfortunately, most people suffering from chemical dependency deny the problem. Many times, they are the last to recognize and admit they need help. If chemical dependency problems are left untreated, they

may eventually jeopardize patient health and safety. They can also threaten the life of the person afflicted.

In these cases, it becomes imperative that individuals who detect a chemical dependency health problem in a P.T. or PTA take action. Without intervention, diseases have predictable courses and outcomes. PTBC's Substance Abuse Rehabilitation Program aims to identify symptoms, intervene, and change the outcomes.

The Substance Abuse Rehabilitation Program also provides an effective alternative to the traditional disciplinary process.

PTBC has a voluntary and confidential program to help licensees overcome the disease of addiction: Call Maximus Inc. at **(800) 522-9198**. For <u>more information</u> <u>regarding Maximus</u>, refer to the PTBC website.

### LESS IS MORE

### Less paper, less time, less room for error; more efficient, better service, greater access!

### PTBC HAS ELIMINATED THE POCKET LICENSE

The Physical Therapy Board of California (PTBC) has made license verification more effective and efficient for consumers and licensees. Effective July 2020, PTBC no longer issues pocket licenses upon initial licensure or renewal. Pocket licenses may not reflect a licensee's current status as it may change within the two-year license period, and they do not display enforcement action taken against a license, if any. Current license status and enforcement action information is available on Department of Consumer Affairs (DCA) License Search, an online license verification system. Consumers, employers, or any interested party can access license information online 24/7. You can access the DCA License Search system on the home page of the PTBC website at www.ptbc.ca.gov.

### HAS PTBC BEEN TO YOUR SCHOOL?

The Physical Therapy Board of California (PTBC) has met its original goal from its 2018-2022 Strategic Plan to visit all (32 at the time) PT and PTA programs in California. As the physical therapy profession grows so does the number of programs. Today there are 40 PT and PTA programs in California. PTBC continues its outreach to the previous and newly accredited PT and PTA programs. The maps below show all current PT and PTA programs in California and all the programs we have visited. Has PTBC been to your school yet?

For more information on school presentations and to have PTBC visit your school, either in person or virtually, contact:

A Citation and Fine is an administrative action by which the Physical Therapy Board of California may address relatively minor violations of the Physical Therapy Practice Act that would not necessarily warrant discipline in order to protect the public. Citation and Fine Orders are not disciplinary actions but are matters of public record. Citations remain on a licensee's file for five years and are then purged. By law, payment of a fine is considered satisfactory resolution of all violations contained in the citation.
