Dr. Drummer also questioned the necessity for the roll call voting if it was not recorded in the minutes. Ms. Welch advised an accounting of the roll call vote should be documented in the minutes. The Board concluded the minutes should be amended to reflect the roll call votes, the day on which the vote took place in the event an agenda item was taken out of order and attendance or absence of each Board member. The Board delegated the amendments to be made by the Executive Officer and staff accordingly for the President’s signature.

(A) 2017 Adopted Meeting Calendar

Ms. Rabena-Amen commented that 2017 is coming to an end, leaving nothing to discuss.

(B) 2018 Proposed Meeting Calendar

Dr. Drummer questioned whether the 2018 calendar had been adopted; Mr. Kaiser responded it had been adopted. Dr. Drummer; therefore, suggested removing the reference to “Plan B.” The Board discussed setting a date for Strategic Planning in conjunction with the March 2018 meeting dates and Dr. Dominguez advised because of CAPTE activities he would be restricted from attending on the Wednesday before the scheduled meeting in March. Mr. Kaiser advised more discussion would be had under the Executive Officer’s report.
While the Board was conversing about meeting dates, Ohlone College offered to host the Board in December 2018.

5. **Executive Officer’s Report – Jason Kaiser**

Mr. Kaiser discussed the roadmap developed by DCA’s Solid Planning Solutions and advised, whether used or not, is a service paid for through pro rata. Dr. Drummer questioned whether Mr. Kaiser had seen the result of their work and whether he had confidence in the outcome. Mr. Kaiser responded while in the past he may not have been comfortable relying on their service, he has since seen the quality of their current product.

Mr. Kaiser and Dr. Drummer talked about the Board’s outreach efforts at the California Physical Therapy’s Association Annual Conference and expressed gratitude for being able to participate once again after seven years. Mr. Kaiser added to further outreach efforts he has accepted invitations to present at three programs in 2017 and 2018 and is looking forward to more invitations. Ms. Rabena-Amen questioned if the Outreach Committee appointed by President Eleby had a chance to meet; Mr. Kaiser replied they had not yet met.

Mr. Kaiser presented Veterinary Medical Board’s proposed regulatory language on animal physical rehabilitation and noted it is in its regulatory process infancy. Ms. Welch stated there had already been a modification to the language in subsection (e).

While the Board was awaiting agenda item #8 and prior to entering into closed session it fielded questions from the Ohlone College students, which ranged from what the Board does in closed session to how to become a Board member.

   Mr. Kaiser advised AB 1706 was chaptered into law extending the Board until January 1, 2022. He further advised the bill included repeal of Business and Professions Code (BPC) section 2648.7 authorizing retired license status exemption. The repeal allows the Board to rely on BPC section 464 for retired license status exemption. The Bill also grants the Board discretion when granting exemptions from BPC section 2653(b) and exempts licensees from specific English-speaking countries. Finally, the Bill repeals BPC section 2688.5, which requires the Board to submit a report to the legislature when the Board increases its fees. The Bill did not include extending fee caps which are currently at their ceiling.

10. **Legislation Report – Jason Kaiser**

   (A) Discussion and Possible Board Action Regarding the 2017/18 Legislative Session Summary

   i. Discussion and Possible Board Action Regarding AB 208 (Eggman) Deferred Entry of Judgment Pretrial Diversion

(A) Discussion and Possible Board Action Regarding the 2017 Rulemaking Update

i. Examination Passing Standard/Setting Examination Score

Mr. Kaiser reported on Ms. Marco’s behalf that the required documentation had been submitted to the Department of Consumer Affairs (DCA) and it was at the beginning of the new rulemaking process implemented by DCA.

(B) Discussion of Issues and Possible Board action regarding Guidelines for Issuing Citations and Imposing Discipline, 6th Edition

Mr. Kaiser presented the issues of concern raised in the Briefing Paper. Dr. Dominguez questioned whether it’s 30 days of negative tests or is it 30 tests in 30 days in “issue #1”? Mr. Martin responded it is a common question from probationers to which he explains each term of an Administrative Order to the Respondent and he advises the 30 days of negative tests usually results in closer to 45 days as the number of days is dependent on the participation of the Respondent. Dr. Alviso suggested the language be placed in “Term Y” which will ensure it is included in the Administrative Order. Ms. Welch suggested mirroring language of “Term Y” in the Overview. The Board concluded this issue with clarifying the period of 30 days by amending language contained in “Term Y” to read:

“The Board shall determine whether or not the Respondent is safe to return to full-time or part-time work, and what restrictions shall be imposed on the Respondent. However, Respondent shall not return to practice until he or she has negative drug tests for a period of at least 30 days.”

They will also mirror the modified language in “Term Y” in the Overview. The Board discussed this at length and concluded to add Business and Professions Code section 480 to the Guidelines with a minimum discipline of Public Reproval and maximum discipline of Application Denial.

The Board accepted the other three staff recommendations used in the Briefing Paper regarding Cost Recovery, Maintenance of a Valid License and Notice to Consumer. The Board concluded its review and adopted the proposed modifications to the Guidelines for Issuing Citations and Imposing Discipline, 6th Edition.

MOTION: To approve the proposed regulatory changes as modified, direct the Executive Officer to take all steps necessary to initiate the rulemaking process, authorize the Executive Officer to make any technical or non-substantive changes to the rulemaking package, notice the proposed text for a 45-day comment period, and if no adverse comments are received during the 45-day comment period, and no hearing is requested, adopt the proposed regulatory changes as modified.

The Board discussed the language as presented by Mr. Kaiser and agreed to amend the language by adding date ranges and quotation marks to the titles of each CWT. It further decided to strike from the title of CWT 6, “For Implementation Beginning January 1, 2016” and add in parenthesis language “for individuals who graduated on or after January 1, 2017.

MAIN MOTION: To approve the proposed regulatory changes and direct the Executive Officer to take all steps necessary to initiate the rulemaking process, authorize the Executive Officer to make any technical or non-substantive changes to the rulemaking package, notice the proposed text for a 45-day comment period, and if no adverse comments are received during the 45-day comment period and no hearing is requested, adopt the proposed regulatory changes as modified.

Under existing law, the crimes of rape, sodomy, oral copulation, and sexual penetration, when the victim was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration or oral copulation served a professional purpose, are punishable by imprisonment in the state prison for 3, 6, or 8 years. This bill would expand the crime of sexual battery to apply to a person who performs professional services that entail having access to another person’s body and who touches an intimate part of that person’s body while performing those services, and the touching was against the person’s will and for the purpose of sexual arousal, sexual gratification, or sexual abuse. sexual penetration to include any of those crimes performed against a victim’s will by a professional whose services entail having access to the victim’s body, if the conduct is performed by the professional while performing those services. By expanding the scope of these crimes, the bill would impose a state-mandated local program. The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement. This bill would provide that no reimbursement is required by this act for a specified reason.

### Licensing Boards: Denial of Application: Criminal Conviction

Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs and authorizes a board to deny a license on the grounds that the applicant has, among other things, been convicted of a crime, as specified. Existing law provides that a person shall not be denied a license solely on the basis that the person has been convicted of a felony if he or she has obtained a certificate of rehabilitation or that the person has been convicted of a misdemeanor if he or she has met applicable requirements of rehabilitation developed by the board, as specified. PROPOSED AMENDMENTS

PROPOSED AMENDMENTS TO ASSEMBLY BILL NO. 3013
CALIFORNIA LEGISLATURE—2017–18 REGULAR SESSION

ASSEMBLY BILL No. 3013

Introduced by Assembly Member Chu
(Coauthor: Assembly Member Limón)

February 16, 2018

An act to amend Sections 2620 and Section 4905 of, and to add Section 4828.5 to, the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL’S DIGEST

AB 3013, as introduced, Chu. Veterinary medicine: animal physical rehabilitation.

Existing law, the Physical Therapy Practice Act, provides for the licensure and regulation of physical therapists by the Physical Therapy Board of California, which is within the Department of Consumer Affairs, and defines physical therapy as the art and science of physical or corrective rehabilitation or of physical or corrective treatment of any bodily or mental condition of any person by the use of the physical, chemical, and other properties of heat, light, water, electricity, sound, massage, and active, passive, and resistive exercise.

Existing law, the Veterinary Medicine Practice Act, provides for the licensure and regulation of veterinarians and the practice of veterinary medicine by the Veterinary Medical Board, which is within the Department of Consumer Affairs. That act makes it unlawful for any person to practice veterinary medicine in this state without a license and provides that the practice of veterinary medicine includes, among other things, the treatment of whatever nature for the prevention, cure, or relief of a wound, fracture, bodily injury, or disease of an animal.
This bill would authorize a licensed *animal* physical therapist with an advanced certificate in animal physical rehabilitation to provide animal physical rehabilitation to an animal if certain conditions are met, including that the animal physical rehabilitation is performed on a veterinary premise registered with the Veterinary Medical Board, in an animal rehabilitation facility registered with the Veterinary Medical Board, or in a mobile or range setting. The bill would define "animal physical therapist" as a physical therapist licensed under the Physical Therapy Practice Act with a certificate in animal physical rehabilitation issued by the Veterinary Medical Board. The bill would also define an animal rehabilitation facility "animal rehabilitation facility" and would require an animal rehabilitation facility to register with the Veterinary Medical Board and pay specified registration fees. The bill would require the Veterinary Medical Board to create an application and determine the application process for the certificate. The bill would require the Veterinary Medical Board and the Physical Therapy Board of California, in cooperation, to determine by regulation the qualifications necessary for a physical therapist to receive the advanced certificate issued by the Veterinary Medical Board and would authorize the Veterinary Medical Board to charge a fee for issuance and renewal of the advanced certificate. The bill would provide that a *animal* physical therapist with an advanced certificate in animal physical rehabilitation is solely liable for any *animal* physical rehabilitation provided under the certificate. The bill would also redefine physical therapy to include the art and science of physical or corrective rehabilitation or of physical or corrective treatment of any bodily or mental condition of an animal if practicing under the above-described advanced certificate. Give the Veterinary Medical Board the exclusive authority to discipline an animal physical therapist.

The people of the State of California do enact as follows:

Page 2

Std. Form 399 – Economic and Fiscal Impact Statement
**Briefing Paper**

**Date:** March 13, 2018  
**Prepared for:** PTBC Members  
**Prepared by:** Elsa Ybarra  
**Subject:** CCR 1399.15, Guidelines for Issuing Citations and Imposing Discipline (Guidelines)

**Purpose:** To propose two final revisions to the language of the Guidelines for Issuing Citations and Imposing Discipline included by reference in section 1399.15 of Article 8, Division 13.2, Title 16 of the California Code of Regulations, specifically:

- Definition of Substance Abuse Rehabilitation Programs  
- Business and Professions Code section (BPC) 480

**Attachments:** - Modified language

**Background:**

The Board initially adopted into regulation the "Model Guidelines for Imposing Discipline" in July 1997. Since then the Board has adopted into regulation, language modifying the title and content of the Guidelines on four separate occasions.

The Board considered further language modifications to address current issues identified by staff and counsel at the August 2017 meeting. Board staff incorporated the modifications and presented it to the Board at the November 2017 Board meeting. The Board made further modifications and was adopted.

**Update since the November 2017 meeting:**

When revising the Guidelines as directed by the Board at the November 2017 meeting, there were two additional areas identified resulting in further consideration by the Board. Only the sections requiring Board consideration are attached. If approved, these revisions will be incorporated into the existing rulemaking packet.
The two sections are:

1) The Definition of Substance Abuse Rehabilitation Programs has been amended to delete the reference to a “diversion program” since it no longer exists pursuant to the current statutes.

2) Business and Professions Code section 480 has been amended to include the minimum and maximum disciplines pursuant to each of the specific subsections as specified in BPC 480.

Action Requested:

Consideration of the following motion:

“I move we approve the proposed modified text presented today and incorporate these changes to the existing rulemaking packet approved at the November 2017 Board Meeting. Direct the Executive Officer to take all steps necessary to initiate the rulemaking process, authorize the Executive Officer to make any technical or non-substantive changes to the rulemaking package, notice the proposed text for a 45-day comment period, and if no hearing is requested, adopt the proposed regulatory changes as modified.”
DEFINITION OF SUBSTANCE ABUSE REHABILITATION PROGRAMS

The Board does not consider licensees who have been ordered to participate in the Board’s Substance Abuse Rehabilitation Program (rehabilitation program) to be in “diversion.” Rather, the Board considers these individuals to be in a substance abuse rehabilitation program, (hereafter, referred to as the “rehabilitation program”). As a result, the Board will not use the term “diversion” in these disciplinary guidelines to describe licensees on probation or terms and conditions of probation related to the rehabilitation program. Instead, the phrase “rehabilitation program” will be used.

There are two pathways into the Board’s rehabilitation program:

1. Participants with drug and/or alcohol addiction issues who have self-referred to the rehabilitation program and are not under a disciplinary order; and,
2. Participants who have been ordered into the Board’s rehabilitation program as a result of violations of the Physical Therapy Practice Act related to drugs and/or alcohol addiction.

Self-Referrals

When a licensee enrolls in the Board’s rehabilitation program as a self-referral, the participation is confidential. However, if the rehabilitation program determines a self-referred participant is too great a risk to the public health, safety, and welfare to continue the practice of physical therapy, the rehabilitation program shall report the facts shall be reported by the rehabilitation program to the Executive Officer of the Board and shall provide all documents and information pertaining to and supporting that conclusion shall be provided to the Executive Officer of the Board. The Board may refer the matter may be referred for investigation and disciplinary action by the Board. Each physical therapist or physical therapist assistant who requests participation in a rehabilitation program shall agree to cooperate with the rehabilitation program designed for him or her. Any failure to comply with the rehabilitation program may result in termination of participation in the rehabilitation program.

Probationary Participants

Probationary participants are required to comply with terms of probation or risk losing their license. Pursuant to section 315 of the Business and Professions Code, the Board uses the Substance Abuse Coordination Committee’s Uniform Standards Regarding Substance-Abusing Healing Arts Licensees (April 4-2011) (hereafter, “Uniform Standards”). A clinical diagnostic evaluation will be ordered as a term of probation and other Conditions Applying the Uniform Standards will also be included.

While self-referred licensees are not subject to terms and conditions in these Guidelines, they are subject to nearly identical contractual terms of participation and the violation of those terms could lead to termination of participation in the rehabilitation program.

The Operating Expenses and Equipment (OE&E) budget allotment is $3,043,000, which includes all operating expenses, i.e., office supplies, travel, facilities, departmental prorate, attorney general, etc. The Budget decreased by 8% from $3,300,000 over FY2016-17. Various line items decreased as part of the normal budget process. However, the most significant decrease was in the Department of Investigations services (DOI) budget from $1,044,000 to $757,000, a 27% decrease from last fiscal year (FY2016-17).

In addition, effective, July 1, 2017, the DCA migrated to a new integrated accounting system, Fi$Cal. The Fi$Cal system would combine accounting, budgeting, cash management, and procurement operations into a single financial management system, eliminating state departments' legacy systems that support the internal financial management operations state-wide.
Analysis:

Expenditures
The PTBC had $1,012,502 in Personnel Services costs and $1,108,878 in Operating Expenses & Equipment (OE&E), a total of $2,121,380 expenditures (as of 12/31/17). The PTBC’s expenditures for the same period, last fiscal year (FY2016-17) were $977,753 in Personnel Services and $1,084,426 in OE&E, totaling $2,062,179 (as of 12/31/16). The PTBC’s program costs increased by $59,201 (2.87%) over FY2016-17.

Overall, the PTBC budget staff is not projecting major changes in expenditures this year. However, staff anticipates a slight increase in personnel services, specifically within the “Temp Help” expenditures, to accommodate the increased staffing resources to address workload backlogs within its application and administrative services.

Revenues
The PTBC received 1,415 applications for exam/licensure and 7,752 applications for renewal this year (as of 12/31/17). During the same period, last fiscal year (FY2016-17), the PTBC received 1,339 applications for exam/licensure and 7,265 renewals, generating $3,062,327 in collected revenues. Based on the application increase alone, staff projects this year’s revenue to increase by approximately 6% year-to-date over FY2016-17 (as of 12/31/17).

Prepared for: PTBC Members
Prepared by: Alycia Miller
Subject: Outreach Report

Purpose:
To provide PTBC’s Outreach activities and statistics for Oct – Dec (Q2), CY 2017-18.

Attachments:
1. Website Statistics
2. Facebook Statistics

Background:
The PTBC Outreach Report is a quarterly review of the Web-site and Facebook activities and analysis of those activities for the current fiscal year in comparison to the previous fiscal year. The web-site statistics is collected from Google Analytics and Facebook statistics is collected directly from the Facebook “insight reports” on a quarterly basis: Jul -Sep (Q1), Oct-Dec (Q2), Jan-Mar (Q3) and Apr- Jun (Q4).

Analysis:

Website
The PTBC had 204,960 people access (web-hits) through its web-site home-page tabs (Home, Consumers, Licensees, Applicants, Publications, Forms and Laws). The “Licensees” tab had a slight increase of 4%. All other tabs had slight decreases in web-hits, with the “Laws” tab having the most significant decrease of 23%. Overall, the number of web-hits for the quarter (Q2) decreased by 5% and by 1% year-to-date (YTD) over last fiscal year (FY2016-17).

Facebook
The PTBC had 18,444 people access (traffic) its Facebook page and receive 76 “likes”. The PTBC received 21% more “Likes” over FY2016-17 (Q2). The other areas being monitored had decreased, with the ‘Talked About” having the most significant decrease of 98%. This statistic accounts for the number of people spreading PTBC’s web-site content, i.e., comments, stories, posts, etc. Overall, the traffic decreased by 60% for the quarter (Q2) and by 11% year-to-date (YTD) over last fiscal year (FY 2016-17).

Prepared by: Sarah Conley

Subject: Application Services Report

Purpose:

To provide an update on the most recent activities and state of the Application Services program.

Attachments:
1. Application Services Program Statistics
2. Examination Statistics

Update:

As you can see in this report, and as previous reports have illustrated, the number of licensure applications submitted to the PTBC is continuously increasing. These increases, among other things, have compelled not just creative use of existing resources and minor process adjustments, but taking greater action to increase resources and increase process efficiencies. The Application Services program can no longer sustain its workload without significant active change in these areas.

The action that is currently most accessible to the PTBC is to increase process efficiency. Work is underway to streamline examination eligibility, provide clear application instruction and process information, and get the information out to future applicants. These changes will be addressed in detail in the application process presentation that will be delivered at this meeting.

None.

Subject: License Maintenance Report

Purpose:
To provide an update on the most recent activities and the state of the License Maintenance program.

Attachments: License Maintenance Statistics

Update:
The overall number of Active licenses has increased 4% since last year, and the overall number of Inactive licenses has decreased 9% since last year. The number of Retired licenses continues to rise with a 70% increase over last year.

The number of license renewals has increased; however, though not shown in the statistics, the number of renewal payments the PTBC processes in-house has decreased significantly since the implementation of Breeze and online renewal. The PTBC currently processes approximately 1% of license renewal payments. For July 1, 2017-December 1, 2017 (FY 2017/18 Q1 & Q2), 80% of renewals were submitted online, and the remaining 19% of renewals were processed by DCA.

Briefing Paper

Date: February 22, 2018

Prepared for: PTBC Members

Prepared by: Veronica Gutierrez, Yasha Crutcher

Subject: Continuing Competency Services Report

Purpose:

To provide an update on the most recent activities and state of the Continuing Competency Services program.

Attachments: Continuing Competency Audit Statistics

Background:

Licensees are required to certify at the time of renewal that they complied with the continuing competency requirement for renewal set forth in Business and Professions Code section 2649. To ensure compliance, the PTBC is mandated to conduct random continuing competency audits. Audit samples are collected quarterly in keeping with the PTBC’s overall statistical record keeping and reporting standard. The audit sample is pulled at the beginning of a quarter for licensees who renewed in the previous quarter. Audits are conducted, then the results are reported the following quarter. The whole audit process from sample collection to reporting results runs six months or two fiscal year quarters. Please note, however, this does not mean each audit takes six months to complete.

Update:

A total of 146 physical therapists and 45 physical therapist assistants were selected for audit for FY 2017/18 Q1 (July-Sept). Staff continues to work on these audits, so data available thus far has been included, but pass rates will be reported at the next meeting.
Although every effort is made to complete audits by the end of the audit quarter, audits can extend into the following quarter. For this reason, the statistics that were previously reported have been updated to capture the audits that remained outstanding at the time the data was reported.

None.

Agenda Item 24(A) - Continuing Competency Audit Stats
Briefing Paper

Date: February 21, 2018

Prepared for: PTBC Members

Prepared by: Cristy Livramento

Subject: Consumer Protection Services Program (CPS)

Purpose: Update on Consumer Protection Services Program

Attachments: (1) FY 2017/18 Quarter 2 (October – December 2017) Enforcement Performance Measures (PM)  
(2) FY 2017/18 Quarter 2 (October – December 2017) Consumer Protection Services Report  
(3) FY 2017/18 Quarter 2 (October – December 2017) - Disciplinary Summary

______________

**Attachment 1:** FY 2017-2018/Q2 - Enforcement Performance Measures

The Enforcement Performance Measures report is reported on the DCA’s public website on a quarterly basis and is used by all DCA organizations to provide the public its Performance Measures. [http://www.dca.ca.gov/about_dca/enforcement.shtml](http://www.dca.ca.gov/about_dca/enforcement.shtml)

PM Report for FY 2017-2018 is prepared by the Department and is not currently available. The Department hopes to have a report available for the next board meeting.

**Attachment 2:** FY 2017-2018/Q2 - Consumer Protection Services Report

The CPS report provides detailed data in certain areas of the enforcement program and includes year end statistics in comparison to last FY.

For FY 2017/2018, Q2, 118 total complaint cases were closed within the PM3 target of 90 days, which is up 5% compared to this time of last fiscal year.

For FY 2017/2018T, Q2, the average number of days to complete an enforcement case which was transmitted to the AG’s office for formal discipline increased, which includes the Board investigation and the AG process. This reflects an increase of 11% compared to this time of last fiscal year. This is likely because complaint cases transmitted to the AG’s office required lengthy in-house investigations.

**Attachment 3:** FY 2017-2018/Q2 – Disciplinary Summary List

Disciplinary Summary of formal discipline and citations issued. Disciplinary actions are of public record and are available through the DCA License Search. [https://search.dca.ca.gov/](https://search.dca.ca.gov/)

Prepared for: PTBC Members

Prepared by: Monny Martin, PTBC Probation Monitor

Subject: Probation Monitoring Program

Purpose: Update on Probation Monitoring Program for FY 2017-2018

Attachments: Probation Monitoring Report (A-1)

Background:

This is a report on the Board’s Probation Monitoring Program through the second quarter of FY 2017-2018. Please refer to attachment A-1 which contains the probation statistics for FY 2017-2018.

Currently there are 89 licensees on probation for various causes from Driving Under the Influence to Sexual Misconduct. Besides the 79 licensees on probation and in the state of California, there are an additional 10 probationers tolling (out of state) and not receiving credit toward the completion of probation. There were also 7 licensees that completed probation in the quarter, and 1 licensee who violated their probation in the quarter.

Of the 79 licensees that are not currently tolling, 20 are currently enrolled and participating in the Board's Drug and Alcohol Recovery Monitoring Program, equaling 25% of all licensees on probation that aren’t tolling.
