109 Mr. Kaiser provided an update on the budget. The Board is currently working under the Department of Finance issued Budget Letters 23-24 110 and 23-27 which anticipated significant general fund deficit in fiscal year 111 (FY) 2023-24 and 2024-25 moving forward. As of now, the Board has 112 113 not had to surrender any position authority. The Board currently has two 114 vacancies: one an Administrative Services Analyst and a Continuing Competency Analyst. The Board is actively and urgently trying to fill 115 116 these vacancies.

118Mr. Kaiser reported there is still one Board member vacancy, there have119been several Board member appointments made in the last few months120with other Department of Consumer Affairs (DCA) Boards such as Board121of Barbering and Cosmetology, Contractor State Licensing Board,122Acupuncture Board, Physician Assistant Board and Osteopathic Medical123Board of California. Mr. Kaiser added the Governors Appointment124Secretary is aware of the Board's current vacancy.

131 (D) Consumer Protection Services

Mr. Kaiser reported recently that Ms. Phelps organized two trainings, one in August for DCA Department of Investigation (DOI) Investigators and one in September for PTBC Expert Consultants. He stated that additionally, two of the Enforcement Analysts completed the Council on Licensure, Enforcement, and Regulation CLEARS National Certified Investigator and Inspector Training (NCIT) course.

140Mr. Kaiser shared that Ms. Phelps filled the last CPS vacancy at the141Board and welcomed Mr. Heaton as the newest CPS analyst. Mr.142Heaton will be responsible for case review and investigation up to and143including the issuance of citations for consumer complaints, adverse144actions, malpractice reports, and conviction cases.

- 146 Mr. Kaiser added that with outreach there were seven presentations to PT and PTA programs, and staff attended CPTA's Annual Conference 147 in September that was held in Burlingame, CA. Additionally, the third 148 week of October was the busiest outreach has ever been in that week 149 150 alone, the Board did five presentations. Two of the presentations were to high school students; one was at Antioch School District's College 151 152 and Career Fair, and the second was at Arthur A. Benjamin Health 153 Professions High School.
- 155Ms. McMillian expressed she is very happy and appreciates the Board156presenting and providing outreach to high school students.
- 158Dr. Brandon shared she really likes the idea of other boards working159together with high school students and asked if there will be additional160opportunities to work with CPTA. Mr. Kaiser responded that the Board161is open to any collaboration, and the Board has collaborated with CPTA162in the past.
 - 8. Executive Services Update
 - (A) Legislation Report
- 166 2023/24 Legislative Session Summary
- 167Ms. Arneson stated that the Board is approaching the end of the two-year168legislative session. There were nine bills that remained on the Board's169watch list going into the final part of the session. Of those nine bills, five170died, two were vetoed, and two were chaptered and will go into effect171January 1, 2025.
 - 1) AB 796 (Weber) Athletic Trainers

Ms. Arneson stated this bill was chaptered on September 29, 2024. This bill is a title protection bill which prohibits a person from identifying themselves to others as an athletic trainer, or from using titles such as certified athletic trainer, licensed athletic trainer, or registered athletic trainer, or other terms to imply or suggest that the person is an athletic trainer, unless they meet prescribed requirements, including that the person is certified by the Board of Certification for the Athletic Trainer.

| 189 | meets requirements by the Veterinarian Medical Board to provide |
| 190 | animal rehabilitation to an animal patient if certain requirements are |
| 191 | met; including that the animal physical rehabilitation is performed on |
| 192 | premises registered with the VMB and that the PT works under the |
| 193 | supervision of a licensed veterinarian who has established |
| 194 | veterinarian-client-patient relationship with the animal. |
| 195 | |
| 196 | Mr. Kaiser shared he does anticipate this bill to be reintroduced in |
| 197 | the next legislative session. |

| | AB 1991 (Bonta) Licensee and Registrant Records |
| 200 | |
| 201 | Ms. Arneson reported this bill was chaptered on September 22 nd , |
| 202 | 2024. This bill requires a licensee or applicant who electronically |
| 202 | renews their license or application to provide their Individual |
| 204 | National Provider Identified (NPI) number if they have one at the |
| 205 | |
| | time of renewal or registration. The implementation for AB 1991, |
| 206 | DCA'S Office of Information Services, will be making the necessary |

| 212 213 | Ms. Arneson reported that this bill was held in the Senate Business and Professions Committee and is dead. There were some |
| 213 | suggested amendments and policy implementation concerns |
| 215 | identified by the committee to be addressed. This bill would have |
| 216 | revised requirements for public members of any Board within DCA |
| 217 | related to business relationships with a licensee of that Board. This |
| 218 | bill would also have removed exemptions if the relationship with a |
| 219 | licensee constituted no more than two percent of the practice or |
| 220 | business of the license. |
| 221 | |

| 224 | |

| 225 226 227 228 229 230 231 232 233 234 | Ms. Arneson reported this bill is dead as it was held in the Senate Appropriations Committee. This bill would have authorized a licensed PT to certify a person's disability for purposes of applying to the DMV for issuance of a disability placard, license plate or temporary disability placard. A significant fiscal impact was identified by the DMV and there were quite a few concerns as well from the DMV regarding IT implementation challenges within their existing IT systems as the DMV is currently in the process of an expansive multi- year effort to modernize their IT systems. |
|--|---|
| | 6) AB 2725 (Rubio & Muratsuchi) Teacher Credentialing: Administrative Services Credential: Occupational and Physical Therapists |
| 239 | Ms. Arneson reported the Board took a support position at the June |
| 240 | meeting, but that the bill was vetoed on September 27 th , 2024. The |
| 241 | bill would have created a pathway for a school based occupational |
| 242 | therapist or a school based physical therapist to obtain a credential |
| 243 | that would allow them to pursue administrative and leadership |
| 244 | positions in schools. The pathways for these licensed professionals |
| 245 | can be created at the local level, through human resources and |
| 246 | collective bargaining. As a more appropriate statewide approach, the |
| 247 | CTC could create at least two administrative services pathways; one |
| 248 | for teachers, and one for other credential or license holders without |
| 249 | a teach preparation background. |
| 250 | |
| | 7) AB 2862 (Gipson) Department of Consumer Affairs; African |
| 252 | American Applicants |
| 253 | Ms. Arneson reported this bill was held in the Senate Business and |
| 254 | Professions Committee and is dead. This bill would have required |
| 255 | Boards to prioritize African American applicants seeking licensure, |
| 256 | especially applicants who are descended from a person enslaved in |
| 257 | the United States. There were implementation and clarity challenges |
| 258 259 | with this bill that were identified in the Fiscal and Policy Committees. Some of these challenges included many of DCA's programs lack |
| 260 | authority to request an applicant's race, which may prevent this bill |
| 261 | from being implemented; also, clarity was suggested in the bill |
| 262 | language on what is meant by prioritizing applicants' vs expediting |
| 263 | applicants and what documentation would be required to establish |
| 264 | eligibility for prioritization or expedition of licenses. In addition, the |

| 265 266 267 268 269 | Assembly Appropriations Committee identified a \$1.04 million fiscal impact for the implementation of this bill to many of DCA's programs and additional one-time costs for DCA's Office of Information Services. |
|---------------------------------|---|
| 209 270 271 | 8) AB 3127 (McKinnor) Reporting of Crimes; Mandated Reporting |
| 272 | Ms. Arneson reported this bill is dead as it was held in the Senate |
| 273 | Appropriations Committee. The Board took an opposition position at |
| 274 | the June meeting and a copy of this opposition letter is on page 59 |
| 275 | of the meeting materials. This bill would have narrowed the |
| 276 | circumstances in which a health practitioner must make a report to |
| 277 | law enforcement because they suspect a patient has suffered |
| 278 | physical injury that was caused by assaultive or abusive conduct. A |
| 279 | significant fiscal was identified for this bill possibly in the hundreds of |
| 280 | thousands, to local public health departments, local government |
| 281 | agencies, and clinics or other types of facilities operated by a local |
| 282 | health department to provide brief counseling and education and |
| 283 | offer a warm handoff or referral to local and national domestic |
| 284 | violence or sexual violence advocacy services. In addition, training |
| 285 | and policy updates could be required, which would be an increase in |
| 286 | the fiscal as well. |
| 287 288 289 290 291 | Ms. Arneson stated this bill is similar to AB 1028 (McKinnor) in 2023 and AB 2790 (Wicks) in 2022, both of which were held in Senate Appropriations Committee. This bill is narrower than either of those bills by continuing to require reporting when a wound or physical injury is life threatening and caused by the use of nonaccidental |
| 292 293 | violence by another. |
| 293 | 9) SB 1067 (Smallwood-Cuevas) Healing Arts: Expedited licensure |
| 295 | Process: Medically Underserved Population |
| 296 297 298 299 | Ms. Arneson reported this bill was vetoed on September 27, 2024. This bill would have required specific Boards within DCA (excluding PTBC) to expedite applicants who will be serving in medically underserved areas or underserved populations. |

| 305 | |
| 306 | Mr. Arneson provided the members a flow chart that was provided by |
| 307 | DCA's Regulatory Unit. The flow chart depicts the four stages of the |
| 308 | regulations process. |
| 309 | Ms. Arneson reported the Board is in the first phase of the continuing |
| 310 | competency regulation, which is the concept phase. This phase |
| 311 | includes researching, data collecting, and working on proposed |
| 312 | amendments to the existing continuing competency regulations. Ms. |
| 313 | Arneson shared the Board is anticipating bringing proposed language |

| 319 | |
| 320 | Mr. Arneson reported the board will not be reporting any proposed |

| 322 | |
| 323 | Ms. Arneson presented that the board will be proposing to include the |
| 324 | continuing competency regulations and is anticipating those to be two |
| 325 | separate regulatory packages under Schedule B. |
| 326 | |
| 327 | Ms. Arneson added the first package will address proposed amendments |
| 328 | to the board's existing continuing competency regulations, with a project |
| 329 | adoption date of December 2025, a projected public notice date of March |
| 330 | 2026, and a projected Office of Administrative Law (OAL) for review date |
| 331 | of September 2026. |
| 332 | |
| 333 | Mr. Arneson shared the second package will address continuing |
| 334 | competency approval agency fees. The projected adoption date by the |
| 335 | Board is December 2025, a projected public notice date is March 2026, |
| 336 | and a projected OAL review date is September 2026. |
| 337 | |
| 338 | Ms. Arneson added the projected dates are subject to change and are an |

| 342 | Dr. Rabena-Amen | asked if staff anticipates completing both packages at |

| 385 | | Mr. Kaiser reported that Dr. Brandon and Mr. Qiu attended the Delegate |
| 386 | | Assembly and Annual Education meeting in October. Mr. Kaiser added |
| 387 | | that it was a great meeting, and a lot of content was provided timely, |
| 388 | | including Artificial Intelligence (AI) courses and how it will be applied in |
| 389 | | society. |
| 390 | | |
| 391 | | He stated that additionally, there is an opportunity for members to serve |
| 392 | | on certain committees at FSBPT. Currently, Mr. Kaiser serves on the |
| 393 | | Education Committee, the Sexual Boundaries Task Force, and following |
| 394 | | the annual meeting, Mr. Kaiser now will be the co-chair of the Council of |
| 395 | | Board Administrators. |
| 396 | | |
| 397 | | Mr. Kaiser shared that on November 6, 2025, the Sexual Boundaries |
| 398 | | Task Force Committee provided a webinar for resources to students, the |
| 399 | | first time FSBPT had education training targeted towards students. This |
| 400 | | training was well received, with 500-600 students attending online. |
| 401 | | |
| 402 | | Dr. Rabena-Amen shared that her time serving on FSBPT committees, |
| 403 | | was incredibly enriching. Dr. Rabena-Amen served as chair on the |
| 404 | | Foreign Educated Standards Committee. |
| 405 | | |
| 406 | | Dr. Rabena-Amen shared that serving on FSBPT Committees helps the |
| 407 | | members understand regulations in other states and how things are |
| 408 | | done and understand why things are done a certain way at the Board. |
| 409 | | |
| 410 | | Dr. Brandon shared that attending the Delegate Assembly and Annual |
| 411 | | Education meeting was incredibly valuable and gave her insight on other |
| 412 | | states. |
| 413 | | |
| 414 | | Mr. Qiu shared he enjoyed the Delegate Assembly and Annual |
| 415 | | Education meeting and how many different topics were related to AI— |
| 416 | | which is used in exams, clinical assessments, and competency |
| 417 | | evaluations. Mr. Qiu found these topics to be advanced but necessary. |
| 418 | | |

| 419 | | Mr. Kaiser added that the next Annual Education meeting will be in |
|-----|-----|--|
| 420 | | October 2025 in Spokane, Washington. FSBPT would like not to just |
| 421 | | include the delegate and alternate delegate but also investigators or |
| 422 | | expert consultants with the boards and board legal counsel. Mr. Kaiser |
| 423 | | added that participation will be dependent on the budget status. |

| 425 | (B) | Department of Consumer Affairs (DCA) - Executive Office |
| 426 | | |
| 427 | | Ms. Gear, DCA Deputy Director for Board and Bureau Relations, shared |
| 428 | | that the Governor's office is aware of the current vacancy of a board |
| 429 | | member and is actively recruiting and is aware of the upcoming two |
| 430 | | vacancies in 2025 due to Ms. Eleby and Dr. Rabena-Amen terming out. |
| 431 | | |
| 432 | | Ms. Gear gave an update on the Form 700: effective January 1, 2025, |
| 433 | | board members must file Form 700 through the Fair Political Practice |
| 434 | | Commission (FPPC) electronic filing system; filing will no longer be filed |
| 435 | | via the net file portal, and paper files will no longer be accepted. |
| 436 | | Additionally, the Governor signed AB 1170 (Chapter 211, Statutes of |
| 437 | | 2024). She shared that effective January 1, 2025, AB 1170 requires that |
| 438 | | Form 700 be filled out by a public official or board member whose filing |
| 439 | | officer is the commission and must be filed electronically with the FPPC; |
| 440 | | the FPPC will email board members a welcome email with logging |
| 441 | | credentials by December 31, 2024. Filers can continue to use the Net |
| 442 | | File portal before January 1, 2025. |
| 443 | | |
| 444 | | Ms. Gear shared an update on the Diversity, Equity, and Inclusion (DEI) |
| 445 | | Steering Committee. They met on October 25, 2024, and elected Mr. |
| 446 | | Vargas as Chair and Mr. McManis as Vice Chair; they are looking |
| 447 | | forward to accomplishing many DEI initiatives under their leadership. |
| 448 | | |
| 449 | | Ms. Gear shared DCA is updating its current unveiling of unconscious |
| 450 | | bias training to board members and their critical roles and how |
| 451 | | unconscious bias can affect their decision-making authority. This |
| 452 | | training will be self-paced and available in DCA's Learning Management |
| 453 | | System (LMS), available in early 2025, and board members will be |
| 454 | | required to complete it annually. Ms. Gear wanted to remind the |
| 455 | | members DCA offers over twenty online DEI training courses on LMS; |

456these courses are not mandatory but strongly encouraged to complete457these trainings.

- 459Ms. Gear stated DCA hosted a second live Military Licensing Resources460webinar on November 21, 2024, to share information about military461licensing resources available to members of the military, their spouses,462and domestic partners. This webinar featured a demonstration of DCA's463Federal Professional license portal and state registration process and a464question-and-answer session.
- Ms. Gear shared DCA is honored to join in the annual charity 466 467 campaigns. On November 13, 2024, DCA held a turkey drive, collecting 468 over two thousand pounds of food, including one hundred and ten 469 turkeys, to help local families in need to celebrate Thanksgiving and feed 470 their families. Donations collected were available to families during 471 Joey's Food Locker on November 22, 2024. Ms. Gear added in 2023 472 DCA was part of the reason why seven hundred and sixty-nine families 473 or three thousand three hundred and fifteen people celebrated 474 Thanksgiving and fed their families; DCA was excited once again to 475 make a difference in the lives of others and to support the community. DCA this year will place boxes at various offices to collect non-476 477 perishable food items directly benefiting a local food bank. Additionally, 478 every year, the Our Promise Campaign initiates a giving at work 479 campaign for state employees.
- 481 Ms. Gear also addressed the California State Employees Charitable
 482 Campaign. State employees and Board members, have the opportunity
 483 to support the nonprofit causes they are passionate about through
 484 payroll or one-time donations. This year's campaign launched on
 485 November 18, 2024, and runs through December 31, 2024. It is led by
 486 Monica Vargas, Deputy Director of Communications, and Karen
 487 Navarro, Assistant Deputy Director.
- 489Dr. Rabena-Amen asked how the Military Licensing Resources webinar490was received. Ms. Gear answered it was well attended and appreciated491and had interest to have another webinar.
- 493 Dr. Brandon asked what the average vacancy rate is for Board

494members. Ms. Gear answered it is hard to say, due to shift in priorities495that come up for DCA and the Governor Office.

- 497Ms. McMillian asked where a person can apply to become a Board498member. Mr. Kaiser answered, www.gov.ca.gov499website, there is a tab that says, "Join the Administration", for the500Assembly and Senate appointments those are more difficult to come by.

504Ms. Island, representative of CPTA, reported on Nevada base Bill, SB50578. This bill is to consolidate their Nevada Physical Therapy Board,506Nevada Chiropractic Physicians Board, State Board of Oriental507Medicine, Board of Occupational Therapy, Board of Athletic Trainers,508and Board of Massage Therapy. In SB 78 language, there aren't any509provisions that address the components of practice related to each510profession. CPTA is concerned and will look into this further.

Ms. Island shared that the CPTA board of directors recently adopted 512 513 draft legislation language post-election that relates to modernizing the 514 California Physical therapy Practice Act and is looking for an author to 515 sponsor it, and if successful, CPTA hopes to introduce the legislation the first of the year. CPTA will continue to work with the Board and share 516 517 draft language and encourages the Board's support in this legislation. If 518 the Board is interested in reviewing any of CPTA's supporting 519 documentation, there is an electronic version that can be provided to the 520 Board.

- 522Ms. Island reported CPTA will be hosting a virtual webinar, that will523include 2025 employment and practice law updates, on December 11,5242024, from 6:00 p.m. to 8:00 p.m. CPTA legal counsel and Ms. Island525will be presenters of this webinar.
- 527Lastly, Ms. Island stated that the 2025 CTPA annual conference is528scheduled for September 20 through September 21, 2025, in Palm529Springs. The venue will be smaller, but CPTA extends an invitation to530the Board.

532 Dr. Rabena-Amen asked if there will be opportunities for the Board to 533 look at CPTA's draft legislation. Mr. Kaiser answered once CPTA 534 releases the draft document to him; he will then release the draft 535 documents to the members. Mr. Kaiser added that depending on the 536 decision-making of the board president, the board may have this as a 537 possible discussion on a board action agenda. Dr. Rabena-Amen added 538 she appreciated the collaboration with CPTA. Mr. Kanotz recommends 539 the Board itself not look at the draft legislation until the bill is introduced.

541

542

- Dr. Rabena-Amen asked will the Employment and Practice Law Updates webinar count as two hours of ethics. Ms. Island answered yes, the webinar will count as two hours of ethics or laws.

10. DCA Budget Office – Presentation of Services

- 546 Mr. Vue, DCA Budget Analyst and Mr. Balkis, DCA Budget Analyst Manager 547 presented the budget process.
- 549 Mr. Qiu asked, once the budget is adopted, will the budget office issue a letter to make budget adjustments in the May revision to the Governor's Budget? Ms. 550 Balkis answered that when the information in the budget letter from the 551 552 Department of Finance comes out, the budget office will consider and revise the 553 updated appropriation. Mr. Kaiser added there is a structured midway point that is expected in every budget year in the May revision, but there may be emergent 554 situations where budget letters can be drafted past the May revision. The May 555 revision is expected every year to make adjustments to the Governor's Budget 556 filed by January 10th of each year. 557
- 559 Mr. Qiu asked if the Board is able to move line items. Mr. Kaiser answered the 560 Board would have to make a specific request to Budget office and Department 561 of Finance for approval to deem if that move is appropriate. 562
- 563 Mr. Kanotz shared the Budget Act will have all the different lines of 564 appropriations for all state agencies and contains statutory language that allows 565 the Department of Finance to make changes within a certain dollar amount 566 throughout the year to allow budgets to decrease or increase if necessary. Mr. 567 Kanotz added the Board relies on fees from licenses as opposed to general tax 568 dollars and other revenue from realignment or federal funds.
- 570 Mr. Kaiser added the budget display that was provided is an accurate 571 representation of how money is spent; there are not too many reds in different

| 572 | categories, but there are other line items the Board is under-expending that can |
|-----|--|
| 573 | be utilized for those costs. The Board reverts from 5% to 13% of the Board's |
| 574 | budget annually. |

- 576 Ms. McMillian asked what services are included in pro-rata and how it is 577 calculated. Ms. Balkis answered that services that are included are human 578 resources, facilities, budgets, contracts, accounting, training, outreach, call 579 center support, and legal services. The calculation is based on authorized 580 positions and usage on how many calls the call center is receiving and DOI on 581 how many cases they are working on.
- 583 Dr. Brandon inquired about more information about call center costs. Mr. Kaiser 584 shared participation is different from board to board; some boards utilize call 585 centers for all public-facing communications due to high volume calls, but the 586 Physical Therapy Board of California (PTBC) does not rely on call centers but 587 on PTBC staff. However, there is a small portion of calls to the call center where 588 some consumers do not know how to contact PTBC directly. 589
 - Mr. Kaiser thanked DCA Budget office and DCA Budget staff for their services.

Ms. Nicholls, DCA Chief of Division of Investigation and Ms. Kendrick, DCA northern Ara California Commander, presented an overview of the Division of Investigation (DOI) and services that are provided to the Board.

- 635A member of the public asked if DOI is an extension of the Department of Justice636(DOJ). Ms. Nicholls responded that DOI is completely separate from DOJ; DOI637is housed under the Department of Consumer Affairs (DCA), and DOJ is a638separate agency.
- 640A member of the public asked, how can someone get into this line of work? Ms.641Nicholls answered that recently there has been a change in the minimum642qualifications. Previously, it was required to have a criminal justice degree643and/or experience; now the requirement has changed to any 4-year degree. Ms.644Nicholls added DOI is also sponsoring candidates through the police academy.645
- 646Dr. Brandon asked, how many boards does DOI cover? Ms. Nicholls answered647in the Investigation and Enforcement Unit (IEU) that handles physical therapy648board cases that there are 36 boards and bureaus within DCA and the Healthy649Quality Investigation Unit (HQIU); they handle only cases for the Medical Board

650of California, Podiatric Medical Board of California, Physician Assistance Board,651and Osteopathic Medical Board.

Dr. Brandon asked, once a complaint comes in, do all DCA boards have a similar process? Ms. Nicholls answered all the boards follow the same process: there is an intake unit, screens the cases, there are weekly and sometimes monthly meetings, and whatever the boards need to keep that triage.

- 658 Mr. Kaiser asked if Ms. Nicholls can describe the difference between PTBC's 659 specific mandates when it comes to investigations. Ms. Nicholls responded each 660 board does have its own different nuances, and one of the differences with 661 PTBC is very early on investigators work with PTBC staff.
- 663 Dr. Rabena-Amen asked, what does it look like when DOI arrives at the site? Ms. Kendrick responded there is a lot of communication between board staff to 664 665 coordinate with an expert to go in with DOI unannounced, letting the site know 666 who they are and what DOI will be doing. The board's expert will handle reviewing all the patient records while DOI investigators interview staff with a lot 667 668 of collaboration with the expert and DOI investigators. At the end of the visit, the 669 board's expert will write up their report with patient information from any records they have reviewed that the board will need to evaluate to determine whether 670 671 there is misconduct or conjunction with DOI's statements that they have 672 received. DOI will then submit their report back to the board, and the expert will make the final determination. Dr. Brandon asked, what is the jurisdiction? Ms. 673 674 Kendrick answered that in the Practice Act it allows for open inspection of 675 records, especially by the expert of the board; DOI investigators do not have 676 authorization to do so as sworn officers to review those records. Mr. Kaiser added that sometimes the site visit is unannounced, and depending on the case. 677 678 the Board will let them know DOI will be coming.
- A member of the public asked, when there is a site visit, is the clinic allowed to 680 681 maintain their normal business? Ms. Kendrick answered it depends on the 682 allegation; for example, if someone is alleged to be practicing under the 683 influence or narcotics, that may disrupt service due to DOI needing to do a drug test. DOI tries to be undisruptive as much as possible when doing the site visit. 684 685 Mr. Kaiser added the site visit almost always is preliminary in the investigation, 686 trying to keep it low profile as much as possible, but circumstances can change 687 that.
- 689Dr. Rabena-Amen asked if your facilities are being investigated; are your690records also fair game to be looked at? Ms. Kendrick answered all records are691open to inspection; whatever records are maintained at the facility are open to692inspection.

| 695 | | (A) Program Update |
| 696 | | (B)Budget Report |
| 070 | | (D) Dadget Report |
| 697 | | Mr. Kaiser shared the Board is continuing to work under the directive of the |
| 698 | | Department of Finances issued budget letters 23-27; DCA has been helpful |
| 699 | | with the Board to meet operational needs. Additionally, training has been |
| 700 | | limited due to those budget letters to only required trainings only and utilizing |
| 701 | | DCA's SOLID unit for the board training needs. Mr. Kaiser added there are a |
| 702 | | few board members who have outstanding training requirements but will be |
| 703 | | discussed at a later date. |
| 704 | | |
| 705 | | Mr. Kaiser reported for Quarter 1 that the Board currently has two vacancies: |
| 706 | | Administrative Services Analyst and Continuing Competency Analyst. The |
| 707 | | Board also made one appointment on September 16, 2024, in the |
| 708 | | Administrative Services, Ashley Merino. Ms. Merino will assist the Board on |
| 709 | | efforts to go paperless and maintain the Board's electronic files. |
| 710 | | |
| 711 | | Mr. Kaiser stated Mr. Azar has conducted an audit on all the Board's assets |
| 712 | | and is now finalizing that survey. Mr. Azar is also surveying old and obsolete |
| 713 | | equipment. Mr. Kaiser added Ms. Constancio would like to thank Mr. Azar and |
| 714 | | Ms. Merino for all their help on this project. |
| 715 716 | | Mr. Kaiser reported the Beard is surrent in meeting its American's Dischility |
| 710 | | Mr. Kaiser reported the Board is current in meeting its American's Disability Act (ADA) compliance requirements both on documentation and on the |
| 717 | | Board's website. |
| 719 | | board 3 website. |
| 720 | | Mr. Kaiser added Administrative Services Unit and Executive Unit are non on |
| 720 | | SharePoint, Mr. Azar is currently working with the Enforcement Unit and |
| 722 | | Continuing Competency Unit to transition to SharePoint. |
| 723 | | |
| 724 | | Mr. Kaiser shared Ms. Merino will be working on scanning, recording, and |
| 725 | | purging the Administrative Services Units file and following the retention |
| 726 | | schedule. Once Ms. Merino completes this, she will then move on to the |
| 727 | | Executive Units record maintenance and the next units. |
| 728 | | |
| 729 | | Mr. Kaiser shared the board is authorized a \$7.2 million budget this fiscal year |
| 730 | | to support program requirements, which included personnel services, |
| 731 | | operating expenses, and equipment. There was a small decrease of about |
| 732 | | \$30,000 in the Board's authority due to the decrease of the Board's authority |
| 733 | | over the past 2 fiscal years to cover the initial cost of the Board's 2 budget |
| 734 | | change proposal (BCP) positions within Application and Licensing that total |

comes out to \$267,000 for FY23/24 and \$251,000 for FY24/25 and ongoing.
For Quarter 1 expenditures, the Board spent \$2.1 million compared to
revenues collected at \$2.5 million. Mr. Kaiser added from the September 2024
board meeting that Mr. Qiu asked why the initial licensing fees had decreased
from the previous year. Mr. Kaiser answered it depends on a graduating class
and when the graduating class hits.

- Lastly, Mr. Kaiser reported the Board's fund is currently projected at 8.2
 months reserve and 7 months reserve by FY 25/26, but those numbers may
 change when closing out FY 24/25 and reassessed every November.
- 746 Dr. Raben-Amen asked if Mr. Kaiser can explain what the ADA website offers for users. Mr. Kaiser answered that any publications that are put out onto the 747 748 internet have to be accessible to those who are vision impaired; those 749 documents are text recognizable, where someone is able to read that same 750 document to somebody who may have a vision impairment. Mr. Kaiser added 751 that with the help of Mr. Azar, each unit is tasked with ensuring those documents 752 are ADA compliant before they are posted to the website, and the Department 753 of Consumer Affairs Office of Information Services does an audit to check if any 754 documents slip through. Mr. Kanotz added recently that litigation has 755 established that accessibility is required. Mr. Kaiser shared on the Board's website there is an accessibility page where there is a point of contact that will 756 757 help with any requests.
- 759 Dr. Rabena-Amen mentioned on the briefing paper there is no mention of the 760 fund condition. Mr. Kaiser answered the fund display that is provided to the 761 Board by the DCA Budget Office depending on when the Board is having the Board meeting; sometimes it is available for publications for materials, but the 762 763 Board does not have the fund condition yet, but by the March 2025 meeting there should be a more current display of the fund condition. Mr. Kaiser added 764 765 the fund condition is currently at 8 months but moving to 7 months fund condition for FY 25/26. 766
- 768Dr. Rabena-Amen asked Mr. Qiu if there is something or some display that769may help Board members. Mr. Qiu answered the reserve is the balance sheet,770and having an 8- to 7-month reserve is really healthy.

- 779 Ms. Kearney presented the initial processing time was at 30 days; 30 days is 780 the actual time the Board is responsible to complete. The most common delay of application processing time is fingerprinting or the inability to pass one of the 781 782 exams. Mr. Kaiser shared that when the applicant submits their application with 783 as few deficiencies as possible, the timelier the application will be turned into a 784 license. Mr. Kaiser added there is a 90-day period from an initial point of 785 receiving the application on average to the license being issued; of that time 786 frame, the responsibilities the Board can identify the application being with the Board is 30 days. The other 60 days are deficiencies that were in the application 787 788 when it was submitted by the applicant or the delay or availability of when the 789 National Physical Therapist Exam (NPTE) can be taken. 790
- 791Ms. Kearney shared she has added the Jurisprudence Assessment Module792(CAL-JAM) and National Law exam for comparison on the examination statistics793report. The California Law Exam (CAL Law) is still on the examination statistics794report due to 22 candidates taking the CAL Law Exam in July 2024 and another7958 candidates taking the CAL Law Exam in August 2024; they all decided not to796transition the CAL-Jam. Next fiscal year, the Cal Law Exam will be removed797from the examination statistics report.
- A member of the public asked, what are the top 3 common mistakes applicants make on the application that delay the process? Ms. Kearney answered that since the application is online, applicants have to answer questions, but the problem can be anything from fingerprint issues to not including their photos or a copy of their live scans. Mr. Kaiser added that through the software system at the point of application, applicants are given the opportunity to upload some of these documents.
 - MOTION: Move to terminate the Approval Agency recognition from Cynergery Education Seiminars, LLC as reasonable opportunity was given for Agency to respond.

- B70 Dr. Rabena-Amen asked, what is Penal Code 23 (PC 23)? Ms. Phelps
 B71 answered that PC 23 is an order issued by a judge in a criminal proceeding
 B72 ordering the licensee to cease practicing during the pendency of the criminal
 B73 matter.
 B74
- 875Dr. Rabena-Amen asked if there is a target number the Board for expert876consultants. Ms. Phelps answered that there is not a target number, but the877Board looks at geographic areas where there is need and practice areas. Mr.878Kaiser added it could be the performance to participate, the training can be879daunting, and geographic travel.

Background:

At the December 2025 meeting, the Board adopted the 2025 Rulemaking Calendar as required by Government Code (GC) § 11017.6. The Notice Register is available on OAL's website: https://oal.ca.gov/california_regulatory_notice_online/

From the 2025 Rulemaking Calendar, staff developed a rulemaking tracking form on which all rulemaking progress is noted and reported to the Board at its quarterly meetings.

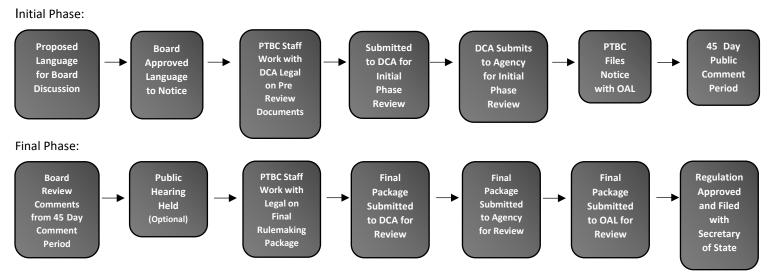

Effective September 7, 2016, all regulatory packages must be submitted to the Department of Consumer Affairs for Business, Consumer Services, and Housing Agency (Agency) review, prior to publicly noticing with the Office of Administrative Law (OAL). A copy of the current DCA Rulemaking process is included.

Agenda Item 20

| Date: | February 7, 2025 | | | | |
|---|--|--|--|--|--|
| Prepared for: | PTBC Members | | | | |
| Prepared by: Carole Phelps, Enforcement Manager | | | | | |
| Subject: Consumer Protection Services (CPS) Program | | | | | |
| | | | | | |
| Purpose: | Update on Consumer Protection Services Program FY 2024/2025, Quarter 2 | | | | |

Update:

As of November 8, 2024, the CPS Unit is now fully staffed with Jim Heaton joining the team as a Staff Services Analyst. Mr. Heaton is responsible for enforcement case review and investigation. With his experience in complaint investigation in the private sector, he is quickly learning our processes, and has been able to take on many cases, reducing the other analysts' caseload to a more manageable level. At the time of this report, there are currently 442 complaint cases being investigated by 6 analysts.

The CPS Unit and PTBC Management continue to hold quarterly meetings with our contacts at the Division of Investigation (DOI) and the Attorney General's Office (AG) to discuss outstanding issues and collaborate to ensure effective case and program management. Additionally, while the 2025 schedule for Investigator and Expert Consultant trainings has not been finalized, PTBC continues to work with both DOI and our Liaison at the AG's Office in planning for these trainings.

The CPS Unit has begun utilizing PTBC's SharePoint site to automate and streamline common procedures and reports. Our IT Analyst, Vincent Azar, works with Staff and Management on ideas for SharePoint workflows that will simplify tasks, create more uniformity, make timely information readily available, and streamline internal procedures. As staff becomes more familiar with SharePoint, additional ideas for workflow improvement will continue to be reviewed and implemented.

Attachment A: CPS Statistics Report for FY 2024/2025, Quarter 2

Performance Measure 1 (Complaint Intake) shows that the PTBC received a total of 134 cases this quarter, including 86 consumer complaints, and 48 reports of arrest or conviction.

Performance Measure 2 (Complaint Intake) measures the average number of days after receipt until the PTBC initiates a case and sends an acknowledgement letter to the Complainant. This quarter's average is 3 days, well under the target of 9 days.

Performance Measures 3 shows the average case age in days for all cases that did not result in a referral to the Attorney General's Office for formal discipline. The average case age was 169 days, which is 28% higher compared to this time last fiscal year. These numbers are known to fluctuate greatly, as they reflect the average of all cases, and encompass entire investigative process that involves the timelines, workloads, and response times of not only Enforcement staff, but of all involved parties/agencies. PTBC's target for this performance measure is 180 days, so this target is being met.

Performance Measure 4 captures the average case age in days for cases that were referred to the Attorney General's Office for formal discipline. Twelve cases were finalized at the AG's office this quarter, taking an average of 685 days from receipt of complaint to final outcome. The target for this performance measure is 540 days.

In summary, this fiscal year so far, staff initiated 292 new cases, issued 14 citations, completed 228 desk investigations, referred 29 cases to the Attorney General's Office, received one Interim Suspension Order and two PC 23 Orders, and closed 22 cases after referral to the AG's Office.
