7. Public Comment on Items Not on the Agenda

Stacy DeFoe, California Physical Therapy Association (CPTA) Executive Director, asked the Board to consider addressing the issue of the difficulty of students under the Individuals with Disabilities Education Act (IDEA) having a diagnosis for further discussion at the November 16 & 17, 2016 meeting. Ms. DeFoe informed the Board that eligibility for IDEA is based on informed clinical opinion and not necessarily a diagnosed disability. She stated that this makes it challenging for physical therapists to try and obtain a medical diagnosis from the physician in order to treat the patient without restriction, and the 45 day/12 visit restriction with a required visit to the physician is not feasible when dealing with children under IDEA.

8. Agenda Items for Next Meeting – November 16 & 17, 2016

The Board indicated it did not have any specific items at this time for the November 16 & 17, 2016 meeting.

The Board concluded the meeting on Tuesday, October 25, 2016 and adjourned at approximately 5:47 p.m.
