Dr. Drummer; therefore, suggested removing the reference to “Plan B.” The Board discussed setting a date for Strategic Planning in conjunction with the March 2018 meeting dates and Dr. Dominguez advised because of CAPTE activities he would be restricted from attending on the Wednesday before the scheduled meeting in March. Mr. Kaiser advised more discussion would be had under the Executive Officer’s report.

Mr. Kaiser and Dr. Drummer talked about the Board’s outreach efforts at the California Physical Therapy’s Association Annual Conference and expressed gratitude for being able to participate once again after seven years. Mr. Kaiser added to further outreach efforts he has accepted invitations to present at three programs in 2017 and 2018 and is looking forward to more invitations. Ms. Rabena-Amen questioned if the Outreach Committee appointed by President Eleby had a chance to meet; Mr. Kaiser replied they had not yet met.

Mr. Kaiser presented Veterinary Medical Board’s proposed regulatory language on animal physical rehabilitation and noted it is in its regulatory process infancy. Ms. Welch stated there had already been a modification to the language in subsection (e).

He further advised the bill included repeal of Business and Professions Code (BPC) section 2648.7 authorizing retired license status exemption. The repeal allows the Board to rely on BPC section 464 for retired license status exemption. The Bill also grants the Board discretion when granting exemptions from BPC section 2653(b) and exempts licensees from specific English-speaking countries. Finally, the Bill repeals BPC section 2688.5, which requires the Board to submit a report to the legislature when the Board increases its fees. The Bill did not include extending fee caps which are currently at their ceiling.

(B) Discussion of Issues and Possible Board action regarding Guidelines for Issuing Citations and Imposing Discipline, 6th Edition

Mr. Kaiser presented the issues of concern raised in the Briefing Paper. Dr. Dominguez questioned whether it’s 30 days of negative tests or is it 30 tests in 30 days in “issue #1”? Mr. Martin responded it is a common question from probationers to which he explains each term of an Administrative Order to the Respondent and he advises the 30 days of negative tests usually results in closer to 45 days as the number of days is dependent on the participation of the Respondent. Dr. Alviso suggested the language be placed in “Term Y” which will ensure it is included in the Administrative Order. Ms. Welch suggested mirroring language of “Term Y” in the Overview. The Board concluded this issue with clarifying the period of 30 days by amending language contained in “Term Y” to read:

“The Board shall determine whether or not the Respondent is safe to return to full-time or part-time work, and what restrictions shall be imposed on the Respondent. However, Respondent shall not return to practice until he or she has negative drug tests for a period of at least 30 days.”

They will also mirror the modified language in “Term Y” in the Overview. The Board discussed this at length and concluded to add Business and Professions Code section 480 to the Guidelines with a minimum discipline of Public Reproval and maximum discipline of Application Denial.

The Board accepted the other three staff recommendations used in the Briefing Paper regarding Cost Recovery, Maintenance of a Valid License and Notice to Consumer. The Board concluded its review and adopted the proposed modifications to the Guidelines for Issuing Citations and Imposing Discipline, 6th Edition.

**MOTION:** To approve the proposed regulatory changes as modified, direct the Executive Officer to take all steps necessary to initiate the rulemaking process, authorize the Executive Officer to make any technical or non-substantive changes to the rulemaking package, notice the proposed text for a 45-day comment period, and if no adverse comments are received during the 45-day comment period, and no hearing is requested, adopt the proposed regulatory changes as modified.

The Board discussed the language as presented by Mr. Kaiser and agreed to amend the language by adding date ranges and quotation marks to the titles of each CWT. It further decided to strike from the title of CWT 6, “For Implementation Beginning January 1, 2016” and add in parenthesis language “for individuals who graduated on or after January 1, 2017.
