School initiates creation of your Federation account. You will receive an email with your log-in information.

School validates graduation. This may be done 90 days prior to graduation. Your school must validate your graduation before you can register for the NPTE and CAL-Law.

The Federation issues an Authorization to Test (ATT) letter to you via email within 48 hours of being made eligible.

The Federation sends examination scores to PTBC and makes them available online to applicants. You must retrieve your scores online through the Federation; PTBC will not provide scores.

| 4.   | **FINGERPRINT**
   - **Live Scan** – Required if in California
     - Take this [Request for Live Scan Service form](https://oag.ca.gov/fingerprint/locations) to an authorized Live Scan operator. A list of authorized Live Scan operators is available here: [https://oag.ca.gov/fingerprints/locations](https://oag.ca.gov/fingerprints/locations). Make sure the Live Scan operator requests fingerprint processing for BOTH DOJ and FBI. The Live Scan operator will keep the original Live Scan form, and you will need two copies—one for your records and one to submit to PTBC. If you are applying online, you only need one copy of the Live Scan form because you can scan a copy to PTBC. You must fingerprint for PTBC even if you have already fingerprinted for another agency.
     - Fingerprint fee: $49 ($32 for DOJ and $17 for FBI). There will also be a rolling fee charged by the Live Scan operator.
   - **Hard Card** – Required if outside California
     - If you are an out-of-state applicant and will be in California at any point during your application process, PTBC strongly recommends waiting until you are in California to fingerprint using Live Scan. Live Scan for California is only available in California, but you do not need to be a California resident.
     - If you will not be in California at any point during your application process, you must use a hard card.
     - To obtain a fingerprint card from PTBC, respond “yes” on the online application when asked if you need a hard card for fingerprinting. This will also allow you to pay the $49 fingerprint processing fee to PTBC online. Once PTBC receives your application, a fingerprint card will be mailed to the address of record you provided on the application. Upon receipt of your card, take it to an authorized fingerprint roller. Do not roll your fingerprints yourself; DOJ will reject them. Return the completed fingerprint card to PTBC, and PTBC will send it to DOJ for processing.
     - **USE LIVE SCAN OR HARD CARD; DO NOT DO BOTH.**
     - **DO NOT FINGERPRINT SOONER THAN 30 DAYS PRIOR TO APPLYING.** |
| 5.   | Take a passport-style photo.
   - Photo requirements:
     a. Taken within the last 30 days
     b. Size: 2 inches by 2 inches (2” x 2”)
     c. Must be in color
     d. White background, clear image, whole head centered, and nothing covering face |
### Step 6

**Prepare and obtain criminal history information.**

ANY AND ALL CONVICTIONS OF CRIMINAL OFFENSES MUST BE DISCLOSED including a citation, misdemeanor, and/or felony, etc. Convictions following a plea of nolo contendere MUST be disclosed. If your plea or verdict has been dismissed pursuant to section 1203.4 of the California Penal Code and section 2661 of the Business and Professions Code, you are required to disclose the conviction(s) on your application.

Serious traffic convictions such as reckless driving, driving under the influence of alcohol and/or drugs, hit and run, evading a peace officer, failure to appear, driving while the license is suspended or revoked MUST be reported. This list is not all-inclusive. If in doubt if a conviction should be disclosed, it is better to disclose the conviction on the application.

Failure to submit proper documents of conviction(s) and/or disciplinary action(s) may delay processing of your application.

Applicants with prior conviction(s) (citation, infraction, misdemeanor and/or felonies, etc.), must submit the following documents:

a. A descriptive written explanation, written by the applicant, of the circumstances surrounding the conviction or disciplinary action.

b. Certified copies of the arresting agency report. If the arresting agency has purged documents, provide a letter from the arresting agency with explanation.

c. Certified copies of the court documents to include the final disposition and order. If the court has purged documents, provide a letter from the court with explanation.

d. Copies of letters from substance-related programs verifying successful completion or evidence of current participation of a personal recovery program (such as Alcoholics/Narcotics Anonymous) and other recovery support and relapse prevention groups.

e. Documentation of substance assessment discharge records, intake/exit interviews, and summaries of counselors’ notes, or similar types of evaluations from the program you attended.

f. Compliance letters from probation officers.

g. Documentation of successful completion of any other court-ordered programs.

In deciding whether you qualify for a license, PTBC will consider the nature and the severity of the acts or crime; time that has elapsed since the commission of the act/crimes; the extent to which the applicant has complied with any terms or conditions of the probation imposed; and any other relevant evidence of rehabilitation.

### Step 7

**Prepare evidence of honorable discharge from the military (copy of DD214) if requesting expedited processing for members of the military who were honorably discharged.**

Pursuant to Business and Professions Code section 115.4, each DCA licensing program is required to expedite the licensure/registration process for an applicant who served as an active-duty member of the U.S. armed forces and was honorably discharged.

For an applicant’s license/registration to be expedited, the applicant must supply evidence that they were an active-duty member of the U.S. armed forces who was honorably discharged.

Please note that this does not mean a license/registration must be issued, but simply requires the process to be accelerated.

If you have a question or need further information, please contact PTBC at (916) 561-8213 or PTA@dca.ca.gov, or email DCA at military@dca.ca.gov.

### Step 8

**Complete and submit the Request for Reasonable Accommodations (D1) if requesting reasonable accommodations for examinations.**

PTBC must have this form prior to granting eligibility.

**SEND IN THIS FORM TWO WEEKS BEFORE YOU PLAN TO REGISTER FOR THE NPTE AND CAL-LAW.**

You must also indicate you are requesting reasonable accommodations when you register for the NPTE and CAL-Law through the Federation.

To be made eligible for the NPTE and CAL-Law, you must:

1) Be within 90 days of graduation.

2) Have registered and paid for the NPTE and CAL-Law through the Federation.

**Certificate of Completion (P1E)**

The P1E certifies that you have completed all didactic and clinical training and internship required for graduation. This form must be completed by your school after you have completed your program requirements for graduation; it cannot be post-dated.

Because you cannot submit the P1E until after you complete your program requirements, but may apply for examination prior to program completion, you may submit your completed P1E after submitting your application.

There are two ways the P1E may be submitted to PTBC:

1. Your school may send all students’ P1Es together directly to PTBC. If your school sends all the P1Es for your class directly to PTBC, the P1Es do not each need to be in a sealed envelope.
2. You may obtain your P1E from your school and send it to PTBC. If you send your P1E, it MUST be a sealed envelope from your school.
GENERAL INFORMATION

Carefully read all correspondence from PTBC and follow any instructions provided.

As an applicant, you are personally responsible for all information disclosed on your application form as well as all supporting materials. An application may be denied based upon omission, falsification, or misrepresentation of any item or response on the application or any attachment. PTBC considers violations of an ethical nature to be a serious breach of professional conduct.

If you would like PTBC to disclose information regarding the processing of your application to another party, you must provide PTBC a letter authorizing release of your application information to that party.

PTBC does not offer expedited application processing except for members of the military as specified by Business and Professions Code section 115.4.

PROCESSING AND POINT OF CONTACT

PTBC will process your application in order of date received.

- If you apply online, your payment receipt will confirm receipt by PTBC.
- If you apply by mail, due to mail intake and cashiering processes, PTBC cannot confirm application receipt prior to issuing your acknowledgement notice. If you would like confirmation of receipt by PTBC, send paper applications using a tracking mailing method.

Please allow 45 days after application submission before checking the status of your application.

Once all deficiencies are fulfilled, a license will be issued within 45 days.

Your application will be assigned to a PTBC analyst who will assist you through the process. The initial communication from the PTBC analyst providing your application status (separate from the acknowledgement of receipt notice) will include his or her direct contact information. From that point forward, any questions relating to your application should be directed to your assigned analyst.

LICENSE APPLICANT STATUS

You are not authorized to work as a physical therapist license applicant/physical therapist assistant license applicant (PTLA/PTALA) until you receive a notice from PTBC granting you license applicant status. To be eligible for license applicant status, you must have:

- A complete application with PTBC except for examination scores.
- No criminal history.

- A correctly completed PIE.
- Registered and paid for the CAL-Law and first available NPTE.

Supervision requirements for applicants practicing under PTLA/PTALA status are set forth in California Code of Regulations (CCR) §1399.10 and §1399.12.

If you pass the first available NPTE prior to the expiration of your license applicant status, you may continue to work as a license applicant until PTBC issues you a license.

License applicant status may not be issued or will be terminated for the following reasons:

- Expiration of license applicant status.
- Once license applicant status expires, it cannot be extended.
- Failing the NPTE.
- Criminal history.
  - If criminal history is disclosed, PTBC’s Consumer Protection Services program must evaluate the history to determine whether license applicant status may be granted.

The Authorization to Test (ATT) letter from the FSPBT does NOT grant you the ability to work as a license applicant.

DUE DILIGENCE

Pursuant to CCR §1398.21, an application shall be denied without prejudice when, at the discretion of PTBC, an applicant does not exercise due diligence in the completion of his or her application, in furnishing information or documentation requested, or in the payment of fees.

GROUNDS FOR DENIAL

Each applicant’s credentials for licensure in California are evaluated on an individual basis. PTBC has the authority to deny licensure based upon an applicant’s act of dishonesty, unprofessional conduct, conviction of a crime, discipline of professional license of a jurisdiction in the United States, or inability to practice safely.

CERTIFICATE OF COMPLETION

FOR GRADUATES OF CAPTE-ACCREDITED, ENTRY-LEVEL PT OR PTA PROGRAMS ONLY

PLEASE NOTE THAT TRANSITIONAL AND POST-PROFESSIONAL PT PROGRAMS ARE NOT ACCREDITED PROGRAMS

The Physical Therapy Board of California (PTBC) must receive the Certificate of Completion with the application for licensure in an officially sealed school envelope, sealed by the registrar or program director completing this form. This is to ensure that the Certificate of Completion came from the school and was not opened by the applicant. Submitting an application without a properly sealed Certificate of Completion will cause your application to be denied.

This form is to be completed in its entirety and signed by the college registrar or program director of the degree-granting program to document completion and graduation of a professional degree program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). The entry-level PT/PTA program completed must have also included academic coursework and a clinical internship pursuant to section 2650 of the California Business and Professions Code.

Type of Program Completed: ☐ Physical Therapist (PT) ☐ Physical Therapist Assistant (PTA)

For PT graduates ONLY: Was the program completed a transitional and/or post-professional PT program? ☐ YES* ☐ NO

* If yes, please note transitional and/or post-professional PT programs are not accredited programs.

LIVE SCAN INSTRUCTIONS

1. Complete PTBC’s Request for Live Scan Service form.
2. Locate a Live Scan operator and make an appointment if necessary.
3. Take the completed Request for Live Scan Service form to the Live Scan site.
4. Have a passport or state-issued photo identification.
5. Pay the processing and preparation fees at the Live Scan site.
6. Verify with the Live Scan operator that your fingerprints were submitted for both Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) processing.
7. Submit one copy of the Request for Live Scan Service form with your PTBC application.

REASONS FOR DELAYS AND HOW TO AVOID THEM

1. **Issue: Fingerprint results do not include FBI.**
   Avoid this by verifying with the Live Scan operator that fingerprints were submitted for BOTH DOJ and FBI processing.

2. **Issue: Personal information is entered incorrectly.**
   Avoid this by asking the Live Scan operator to verify that your name, Social Security number, and date of birth are entered correctly.

3. **Issue: PTBC cannot send a follow-up request to DOJ because it doesn’t have the Live Scan information.**
   Avoid this by submitting a copy of the Request for Live Scan Service form (after fingerprinting) to PTBC with your application.

CHECKING ON THE STATUS OF FINGERPRINT SUBMISSION

PTBC cannot provide fingerprint processing status unless DOJ has communicated processing results to PTBC. To check the status of fingerprint processing, call the DOJ’s 24-hour automated phone service at (916) 227-4557. You will need to enter your date of birth and the 10-digit Automated Transaction Identifier (ATI) number entered on the Request for Live Scan Service form after completion. The ATI number always appears in the following sequence: 1 LETTER; 3 NUMBERS; 3 LETTERS; and 3 NUMBERS.

INSTRUCTIONS FOR EVALUATORS

I. POLICY OF THE PHYSICAL THERAPY BOARD OF CALIFORNIA

The Physical Therapy Board of California recognizes its responsibilities under Title II of the Americans with Disabilities Act to provide reasonable, appropriate, and effective accommodations, including auxiliary aids to qualified examination candidates with disabilities. However, the board will not fundamentally alter the measurement of the skills or knowledge the examination is intended to test.

All examination sites will be physically accessible to individuals with disabilities.

A disability is defined as a physical or mental impairment that substantially limits one or more of the major life activities of an individual. Mental impairment includes any mental or psychological disorder such as organic brain syndrome, emotional or mental illness, and specific learning disabilities.

A candidate who seeks an accommodation has the responsibility to make the request and provide reasonable documentation of the need for accommodation by the application deadline established for all applicants. The information supplied to substantiate a candidate’s request for an accommodation will be kept confidential to the extent provided by law. However, your signature on this form is authorization for the release of this information to the provider of the national examination to document the need for an accommodation. The board will evaluate each request individually, in accordance with the guidelines set forth herein, in order to provide an appropriate and effective accommodation. Any request for accommodation must be submitted to the board on the form provided by the board.

II. FORMAT OF EXAMINATION

An applicant for licensure as a physical therapist or physical therapist assistant is required to pass a written examination.

All written examinations contain objective multiple-choice questions. The candidates sit at a computer and select the appropriate box. The number of questions has traditionally consisted of 150 to 200, with a maximum time limit of three to four hours in which to take the examination. All written examinations are designed to measure job-related knowledge, skills, and abilities as defined in the results of an occupational analysis for the particular profession for which licensure is sought.

In order to protect the integrity and fairness of the testing process, the board requires documentation of the existence of a disability and how the accommodation sought is necessary to provide the candidate with an equal opportunity to exhibit his/her knowledge, skills, and ability through the examination.

III. DOCUMENTING THE NEED FOR ACCOMMODATION

A. CONDITIONS APPLICABLE TO ALL CANDIDATES REQUESTING ACCOMMODATION

The board requires documentation of the existence of a disability and how the accommodation sought is necessary to provide the candidate with an equal opportunity to exhibit his/her knowledge, skills, and ability through the examination.

Beginning with the initial submission, all candidates requesting a reasonable accommodation must complete Form D1 and have a professional certify the disability. If a candidate has previously received the same or similar accommodations for one or more prior administrations of this examination, the candidate may submit a signed statement under penalty of perjury that the disabling condition has not changed in any way that would modify the accommodation that was previously provided. This prior documentation shall be deemed acceptable; however, for candidates who claim a learning disability, the prior documentation will be acceptable only if it meets the criteria set forth in subsection B below.

An evaluation and supporting documentation of a disability shall be valid for a period of three years from the date on which it was submitted to the board, except that no further documentation will be required in cases where the evaluation clearly states that the disability will not change in any way over time.

B. CANDIDATES WITH LEARNING DISABILITIES

A learning disability is defined as individual evidence of significant learning problems that substantially affect or limit one or more major life activities and that are not primarily due to cultural, emotional, or motivational factors. [NOTE that while an emotional factor may be involved in other types of disabilities, such a factor is excluded from the determination of a learning disability.]

The individual must demonstrate (a) at least average overall intellectual functioning, and (b) show evidence of a significant impairment in one or more of the following areas of intellectual functioning: attention and concentration, reception (perception and verbal comprehension), expression, memory (ability for new learning), and cognition (thinking).

Significant impairment is generally determined by a discrepancy of 1.5 standard deviations between the individual’s expected level of achievement and actual
performance on reliable standardized measures of attention and concentration, memory, language reception and experience, cognition, reading, spelling, writing, and mathematics.

Further, determination of the learning disability shall be based on reliable standardized psychometric tests and a complete clinical history including medical, family, education, and occupational information. Attached is a list of the most commonly used reliable standardized psychometric tests to assess learning disabilities. If a measurement instrument is used that is not on this list, it will be considered if it is published in the *Buros Mental Measurements Yearbook* and is being used for the purpose for which it was developed.

C. REQUIRED INFORMATION NECESSARY TO EVALUATE DISABILITIES

A candidate who requests an accommodation and/or auxiliary aid must provide the board with the necessary information to assist it in evaluating the request. The board will, of course, evaluate each request on an individual basis. The following is intended to provide guidance as to the type of documentation that will be necessary.

1. Identification of the type of disability (e.g., physical, mental, learning disability).

2. Credential requirements of the evaluator. The board will accept evaluations from qualified evaluators. A qualified evaluator cannot be the spouse of the candidate and cannot be related to the candidate by blood or marriage. A qualified evaluator is one of the following:
   (a) For purposes of physical or mental disabilities, not including learning disabilities, the evaluator must be a licensed physician or psychologist with special expertise in the area of the disability.
   (b) In the case of learning disabilities, a qualified evaluator must be one of the following:
      A licensed psychologist or physician who possesses a minimum of three years of experience working with adults with learning disabilities and who has training in all of the areas described below;
      or
      A professional who possesses a master’s or doctorate degree in special education or educational psychology from a regionally accredited institution and who has at least three years of equivalent training and experience in all of the areas described below:
      - Assessing intellectual ability level and interpreting tests of such ability.
      - Screening for cultural, emotional, and motivational factors.

3. Professional verification of the disability, which must include:
   (a) The nature and extent of the disability.
   (b) The test(s) performed to diagnose the disability (if applicable).
   (c) The effect of the disability on the candidate’s ability to perform under standard conditions.
   (d) The accommodation recommended and how the accommodation is related to the candidate’s disability, given the format of the examination.
   (e) The professional’s name, title, phone number, professional license or certification number, educational credential, and original signature of the professional.
   (f) A description of the professional’s experience that qualifies them to make the determination.
## MOST COMMONLY USED, RELIABLE, STANDARDIZED PSYCHOMETRIC TESTS

If a measurement instrument is used that is not on this list, it will be considered if it is published in the *Buros Mental Measurements Yearbook* and is being used for the purpose for which it was developed.
