WHO IS THE PHYSICAL THERAPY BOARD OF CALIFORNIA?

The Physical Therapy Board of California (PTBC) is a government agency within the Department of Consumer Affairs. PTBC licenses and disciplines physical therapists and physical therapist assistants. PTBC provides three principal types of consumer services: verifies education and background prior to licensure, provides information about the practice of physical therapy by physical therapists and physical therapist assistants, and investigates complaints against physical therapists and physical therapist assistants.

MISSION OF THE PTBC

To advance and protect the interests of the people of California by the effective administration of the Physical Therapy Practice Act.

VISION OF THE PTBC

The standard for consumer protection in physical therapy.

BOARD MEETINGS

Board meetings are mandated to at least three meetings per year. Typically, the PTBC conducts four meetings a year in the areas of Northern and Southern California. Board meetings are usually two days long and the public is highly encouraged to attend.
